ELIGIBILITY

PROGRAM OPEN TO STUDENTS ENTERING 3RD - 10TH GRADE IN SEPTEMBER.

Students from surrounding school districts are welcome, provided they supply their own instrument.

SCHOLARSHIPS

Harlie Treanor Memorial Scholarship Fund: Two full-time scholarships will be awarded to Huntington School District students who are eligible for free/reduced lunch.

Please contact Brian Stellato, Program Director, at SCALE@scopeonline.us for scholarship application and additional scholarship information & opportunities.

SECURING AN INSTRUMENT*

**Out-of-District students will need to secure instruments from their home district.*

Huntington School District owns the instruments listed below, which may be rented for a **maintenance fee of \$40** (covers summer and upcoming school year)

Cello, Bass, Saxophone, French Horn, Trombone, Baritone, Tuba & Percussion.

Free/reduced lunch students are provided with district owned instruments at a fee of \$10

Contract, payment and pick up information will be sent to new students in June.

The district **does not** provide *violins, violas, flutes, clarinets or trumpets*. These instruments may be rented or leased from local music stores. Store rentals must be secured prior to the first day of the program.

2019 COURSE OFFERINGS

Courses are listed for the grade level the student is **entering** in September 2019.

Period 1: 8:30am - 9:20am

Period 3: 10:30am - 11:20am

Period 2: 9:30am - 10:20am

Period 4: 11:30am - 12:20pm

Music Course Descriptions - 2019

Beginner Piano - Period 3 (Grades 3-10)

This course is for students with no prior piano training as well as students with little experience. Students will learn note reading as well as how to improve upon their playing using dynamic and articulation markings. Students will use electric keyboards in the music lab so that each student may progress at their own pace.

Intermediate Orchestra - Period 4 (Grades 5-10*)

Looking to improve your technique and playing skills on your string instrument? Then this is the place for you! This course is open to students who have at least one year of experience playing an orchestra instrument. Students will have the opportunity to play many genres of music in a performance group setting while enhancing their skills.

***Students should speak with their school orchestra teacher about their orchestra placement.**

Fiddle Tunes For Everyone! - Period 3 (Grades 5-10*)

Do you play a string instrument or guitar? Come play Bluegrass, Country, American, and Irish Fiddle Tunes. Guitarists are welcome! Easy to learn and fun to play! Students will put on a final performance at the end of the program for all to hear!

***Open to both string and guitar players**

Summer Concert Band - Period 3 (Grades 5-10)

This course is open to students entering grades 5-10 who have one or more years playing experience. It provides the student with an opportunity to improve his/her playing techniques in a performance group setting.

Jazz Band - Period 4 (Grades 5-10)

This course presents the essential elements of jazz performance, including basic technique of style, phrasing and simple improvisation.

Beginner Band & String Lessons -SEE SCHEDULE-Period based on instrument choice (Grades 4-6)

Lessons are provided for students who wish to learn how to play the violin, viola, cello, bass, flute, clarinet, saxophone, trumpet, French Horn, trombone, baritone, tuba or percussion. These are beginner level courses designed for students who have NEVER played the instrument and have been *assigned this instrument by their school music teacher*. Lesson book is provided.

Period 1: Flute, Violin, Viola

Period 2: Cello and String Bass

Period 3: Trumpet, French Horn, Trombone, Baritone, Tuba, Percussion

Period 4: Clarinet and Saxophone

Ukulele Jam Band I – Period 1 or 2 (Grades 3-10)*

Want to learn how to play the Ukulele? Then this is the class for you! Ukulele Jam Band is a great place to learn how to play the Ukulele in a fun group setting. All participants will learn how to play several traditional and popular songs on their Ukuleles. There will be some singing, hand percussion and a lot of Ukulele-ing in this exciting class!

***All students must provide their own Ukulele in order to participate.**

Ukulele Jam Band II– Period 4 (Grades 5-10)*

This course is open to students entering grades 5-10 who participated in the Ukulele class last summer or have a basic knowledge of the Ukulele. Ukulele Jam Band II is a great place to play the Ukulele in a fun group setting. All participants will learn how to play several traditional and popular songs on their Ukuleles. There will be some singing, hand percussion and a lot of Ukulele-ing in this exciting class!

***All students must provide their own Ukulele in order to participate.**

Flute Ensemble - Period 2 (Grades 5-10)

Come and explore the unique world of the flute family while learning new flute warm-ups and new technique/tone exercises specific to the flute. Students will be working on duets, trios, quartets and other chamber pieces created especially for flutists. Parts will be written and distributed so that older students have challenging technical parts while beginning players will play parts appropriate for their reading level. Music will consist of classical, popular selections and folk tunes.

Percussion Ensemble - Period 2 (Grades 5-10)

Explore the world of percussion through the art of ensemble performance. Perform with your friends and learn how to play a wide variety of percussion instruments from the snare drum and xylophone to all sorts of auxiliary percussion instruments. This course is designed for music students entering grades 5-10. Though no prior percussion training is required, students must have strong basic rhythmic ability.

Electronic Music Composing – Period 1 (Grades 3-10)

Everyone can be a composer in this course! Students will learn to create their own compositions in our music lab using simple programs like “Garage Band”. Students with little or no music reading skills are welcome!

2019 COURSE OFFERINGS

Courses are listed for the grade level the student is **entering** in September 2019.

Period 1: 8:30am - 9:20am

Period 3: 10:30am - 11:20am

Period 2: 9:30am - 10:20am

Period 4: 11:30am - 12:20pm

Music Course Descriptions - 2019 (continued)

Musical Theater* (2-period course) - Periods 1 AND 2 (Grades 3-10) *REGISTRATION FEE: \$280.00

Singing, acting and movement! Students will be singing and acting in this creative class as we prepare for a mini production. All students are encouraged to sign up for this course regardless of acting/singing experience. This class runs for 2 periods and costs \$280.00.

Introduction to Acting - Period 3 (Grades 3-10)

Acting is a great tool to build confidence, self esteem and poise. In this course, actors play games, learn how to walk, talk and listen on stage. Improvisation, small scenes and monologues will be explored. Bring your most fun and creative personalities to the stage and be ready to have lots of fun!

A cappella Experience - Period 4 (Grades 4-10)

Sing in a fun group setting where the only instruments are your voices. If you love the *Pitch Perfect* movies, you're sure to love this class! All levels of prior voice experience are welcome.

Visual Art Course Descriptions - 2019

Ceramics – Period 1, Period 2, Period 3 or Period 4 (Grades 3-10)

Students will learn how to hand build exciting projects with ceramic clay. Vases, coil pots, name plates, picture frames and animal forms will be fired to a stone-like hardness in the kiln and painted by the students in a variety of glazes. The projects will be fired a final time to bring out a colorful, glasslike finish. Approximately three full projects will be completed.

Polymer Clay – Period 1 or Period 2 (Grades 3-10)

Have fun with this awesome clay that can be sculpted, carved, stamped, textured and used to create many different kinds of fun and useful objects. Learn the secrets of building multi-colored polymer "canes" to produce amazing checkerboard, spiral and geometric patterns for your unique creations!

Chalk/Painter's Palette - Period 1 or Period 2 (Grades 3-10)

Get ready to explore the creative possibilities of painting! In this course, you will learn about color theory and explore many painting techniques. Acrylic, tempera, watercolor and chalk paint will be used to create a variety of exciting and interesting works of art! Chalk paint will also be used to create beautiful pieces of 3D art!

Modern Jewelry Making – Period 3 or Period 4 (Grades 3-10)

Who doesn't love a fantastic bracelet, especially one that you create yourself! In this course, students will learn how to work with and create bracelets out of leather, beads, metal, clay and so much more. Come prepared to work, and learn new techniques for filling your arms with beautiful works of art.

Fashion Design – Period 3 or Period 4 (Grades 3-10)

Do you love fashion? Do you want to learn how to sew? In this class, you will learn about fashion design, draw your own fashion illustrations, create hand-sewn projects, and try out a sewing machine.

Photoshop/Digital Photography - Period 3 or Period 4 (Grades 5-10)

Master important skills in photoshop while exploring various compositions using photography. In the classroom students will discover the power of Adobe photoshop to further enhance images through professional photo editing and graphic design techniques. Students are encouraged to bring/provide a camera. (Camera needs to be clearly labeled with name & number.)

Cartooning Animation - Period 1 or Period 2 (Grades 3-10)

Ever wished you could create your own cartoons? Well, now you can! This course will be an introduction to classic cartooning storytelling techniques and illustrations. Students will work on creating a range of different types of characters from superhero to manga-characters.
