August 11, 2017

To the Huntington Blue Devil Football Family,

Our thoughts and prayers are with the family and the community of the young man whom died tragically during an off season informal workout yesterday morning. This occurred at one of the Section XI schools in eastern Suffolk County.

Although there are always potential injuries in football and all sports, we wanted to reassure you that our concern is always for the well-being of your child. Safety measures are in place at all times during training and drilling, such as dealing with high temperatures and executing contact drills. Our coaching staff will not engage in any drills that would create a potentially dangerous situation. Minimizing risk of injuries is the number one priority of our coaching staff.

Sincerely,

Georgia D. McCarthy

Director of Health, Physical Education & Athletics

Steve Muller

Head Varsity Football Coach
