Dear Student-Athletes,

I realize that the postponement of spring sports is a great disappointment to all of you. I was ready, prepared and excited for this upcoming season. After seeing many of you participate in our athletic program since seventh grade, it is at this time of the year when I am proudest and excited for our seniors to have their final experience as a Blue Devil student-athlete. All of your experiences up until these unprecedented times should mean more to you than ever. I urge you to be resilient and hopeful.

I am keeping in close touch with Section XI, the governing body of Suffolk County Athletics, and referring to the guidance of the New York State Public High School Athletic Association. As you are already aware, Section XI schools will not conduct practices until further notice.

As I receive further communications from Section XI, NYSPHSAA and Superintendent Jim Polansky, I will keep all of you updated through the HUFSD social media platforms. Please stay healthy and take care of each other.

Sincerely,

Georgia D. McCarthy
