"A Tradition of Excellence since 1657"

James W. Polansky

Superintendent of Schools

April 1, 2019

Dear Students/Staff/Parents:

As you know, the district has not experienced any weather-related closures during the winter or early spring seasons. On the condition that there are no significant weather events over the next few weeks, both **April 18** and **May 24** will be converted to *vacation days*. On those days, all Huntington schools will be closed for students and staff.

I wish you a beautiful spring, and a productive and enjoyable remainder of the school year.

Yours truly,

James W. Polansky
Superintendent of Schools

Estimados padres/tutores:

Como ya saben, el distrito no ha tenido que cerrar las escuelas debido al clima durante el invierno o principios de la primavera. Suponiendo que no haya eventos climáticos significativos en las próximas semanas, tanto **el 18 de abril como el 24 de mayo** se convertirán en *días de vacaciones*. En esos días, todas las escuelas de Huntington estarán cerradas para los estudiantes y el personal.

Les deseo una hermosa primavera y que el resto del año escolar sea productivo y agradable.

Atentamente,

James W. Polansky
Superintendente de las escuelas
