ENGINEERING SERVICES

OFFICE OF THE FIRE MARSHAL

September 20, 2018

Huntington Union Free School District
Attention: Mr. James W. Polansky
50 Tower Street
Huntington Station, N.Y. 11746

Dear Superintendent Polansky,

The purpose of this letter is to inform all school districts of the Town's intention to once again conduct "Operation E.D.I.T.H." (Exit Drills in the Home) in conjunction with our local volunteer fire departments. The date and time of this event will be October 17, 2018, 7:00 P.M., at which time all fire departments will activate their sirens to commence the home drills.

I have attached for your review and approval a copy of our flyer which is basically identical to last year's, and which has been modified with minor changes over the past thirty-five (35) years.

In closing, the Office of the Fire Marshal would appreciate notification of approval at your earliest convenience should the literature be found appropriate for your students. Please post the attached flyer to your district's website where parents and students of Grades K – 5 receive information flyers. Should you have any questions regarding the above please do not hesitate to call (631) 351-3138, Monday through Friday, between the hours of 8:30 A.M. – 4:30 P.M. Thank you.

Sincerely,

Terence E. McNally
Chief Fire Marshal
