I would like to inform you that on Wednesday, March 19th we will be conducting a College Majors Panel for students and parents. Approximately fifteen college professors and admission representatives will discuss how academic courses impact the college and career readiness standards, specifically with regards to skill developments required for specific careers.

This evening presentation will begin promptly at 7:00 p.m., and will take place in the high school auditorium. Some of the colleges that will be participating include: Adelphi University, Baruch College, Fashion Institute of Technology, LIU Post, Mercy College, New York Institute of Technology, Pratt Institute, Purchase College, and St. John’s University.

Both students and parents are strongly encouraged to attend. A great deal of relevant information will be provided. On behalf of the guidance department, we look forward to seeing you. Should you have any questions, please do not hesitate to contact me. I may be reached at (631) 673-2101.
