Athletes must meet all standards of eligibility for practice and competition. “All schools agree to abide by the minimum eligibility rules adopted by the Central Committee in all interscholastic competitions.” - NYSPHSAA, Inc. Constitution, Article II. (2). They are effective August 1, 2010.

1. **AGE AND GRADE:** Regulation of the Commissioner of Education: A student shall be eligible for interschool competition in grades 9, 10, 11 and 12 until his/her nineteenth birthday. 4. Students must possess the appropriate visa.

5. The foreign exchange and international student must comply with all other NYSPHSAA and NYSED eligibility requirements.

In addition to the aforementioned criteria, the following applies to:

A. FOREIGN EXCHANGE STUDENTS - All Foreign Exchange Students must be reported to the Section office using the appropriate form.

1. Foreign Exchange Student definition: A foreign exchange student is a student that is enrolled in a NYSPHSAA member school that is a participant in a foreign exchange program. The foreign exchange program may or may not be accepted for listing by the CSIET.

who are Direct Placements are subject to the Transfer Rule. (page 106)

B. INTERNATIONAL STUDENTS - When needed, International students, must receive a waiver of the Transfer Rule to be eligible to practice or compete. Schools must submit the required transfer form to the Section office. Athletes are not permitted to practice before the form has been submitted. Athletes are not permitted to compete without approval.

1. International Student definition: An International student is a student that is enrolled in a NYSPHSAA member school, who is not enrolled in a foreign exchange program nor living with his/her parents (or other persons with whom the student has resided for at least six months).

   b. There shall be no evidence that a student, school or other interested party has influenced the assignment of the International student to a school for athletic purposes.

NOTE: Noncompliance with one or more of the foregoing provisions shall render the Foreign Exchange or International student ineligible for interscholastic athletics at any high school which is a member of the NYSPHSAA. (2010)

10. HEALTH EXAMINATION: Regulation of the Commissioner of Education: A student who may engage in interschool competition shall receive an adequate health examination and health history update when required, and may not practice or participate without the approval of the school medical officer.

NOTE: Physicals for participation in school sports may be scheduled at any time during the calendar year. The results of the physical shall be valid for a period of 12 months during the last day of the month in which the physical was conducted. Unless the medical examination is conducted within 30 days of the start of a season, a health history update is required. Any pupil whose safe participation is in question as a result of the health history interview, or injury, or prolonged absence must be requalified by the school physician prior to participation. If the 12 month period for the physical expires during a sports season, participants may complete the season as long as a health history was conducted prior to the season. For example, a physical conducted on August 1 would be valid through August 31. If a student plays beyond August (ex. football), the student may complete that sports season as long as an interval health history was conducted before the start of the season. Immediately following the last sanctioned tournament competition for that season, a new physical is required if the student is going to play another sport. Sport season includes tryouts. NOTE: The Handbook Committee recommends that each incidence of prolonged absence should be reviewed individually by the coach and the athletic director, consulting with the school physician when necessary, and a reasonable amount of practice time and playing time be established based on the athlete’s readiness for safe return to competition.

g. The Section must approve the plans and the NYSPHSAA, Inc. Executive Director must be notified at least sixty days prior to the scheduled departure.

h. When hosting an international contest, sanctioning request forms must be initiated by the host member school through NFHS (www.NFHS.org). One application per state will be filed when a foreign team tours and plays more than one school.

i. When hosting an international contest, the contest must be conducted within the school’s sport season as established by its Section Athletic Council and must be counted as one of the maximum number of contests. The hosting of a scrimmage with a foreign school’s team does not require sanctioning. It is the school’s responsibility to determine that the criteria listed in this section and Eligibility Standard 12; Interschool Scrimmage/Practice Session are satisfied.

j. A complete report, including a detailed financial statement, involving all phases of the competition shall be filed with the NFHS and the State Association within thirty (30) days following final competition.

A secondary purpose of the sanctioning program is to protect the existing programs sponsored by member schools. Schools may obtain information regarding the sanctioning process and print Application for Sanction forms (NYSPHSAA or NFHS applications) from the NYSPHSAA website www.nysphsaa.org/sanctioning.

a. When schools schedule interscholastic contests with schools in other states, each school will observe its own State regulations and standards of eligibility.

b. No member school will engage in athletic competition, scrimmage and/or practice with an out-of-state school which is not a member in good standing of its respective state high school athletic association or has not been approved by the respective state association if the school is ineligible to join. Furthermore, member schools will not
compete in any interstate contest which is sponsored solely by an outside agency. For dual contests it is the school’s responsibility to determine that these criteria are satisfied.

c. A member school wishing to host a contest involving an out-of-state school must file an application for Sanction for any contest involving four or more schools, or any contest involving three or more states. Timeline, application fee and application form information is available on the NYSPHSAA website, www.nysphsaa.org/sanctioning.

In schools that do not provide separate competition for male and female students in a specific sport, no student shall be excluded from such competition solely by reason of sex except in accordance with the provisions of subclauses (b.) and (d.) of this clause. For the purpose of this clause, baseball and softball shall be considered to constitute a single sport.

(b) In the sports of baseball, basketball, boxing, field hockey, football, ice hockey, lacrosse, rugby, soccer, softball, speedball, team handball, power volleyball where the height of the net is set at less than eight feet, and wrestling, the fitness of a given student to participate in mixed competition shall be determined by a review panel consisting of the school physician, a physical education teacher designated by the principal of the school, and if requested by the parents of the pupil, a physician selected by such parents. Such panel shall make its determination by majority vote of the members, and in accordance with standards and criteria issued by the department.

upon a finding that such participation would have a significant adverse effect upon
the opportunity of females to participate successfully in interschool competition in
that sport.

The NYSPHSAA requires that the names of girls and boys who participate on a team
of the opposite sex be submitted to the league and section before any interschool contest
in that sport. Teams with multiple representation of boys and girls must be declared
either a girls team or a boys team by their schools, prior to the first competition.

NOTE: Teams organized for one sex may only practice and compete against teams
of that same sex. Furthermore, once an individual competes on a team for one sex
during a season, he/she may not compete for or against a team organized for the other
sex during that season. (Representation, p. 102)

16. NATIONAL TEAM/OLYMPIC DEVELOPMENT PROGRAMS: A student
may participate as an individual as a member of a National Team or in an Olympic
Development Program during the school year. To participate in NYSPHSAA programs
in that sport, individuals must meet the sports' standards.

17. NON-FEDERATION MEMBER SCHOOLS: No scrimmage or game shall be
played with other than public and those private and parochial schools that belong to
the New York State Federation of Secondary School Athletic Associations. Verification

2. Secondary school personnel shall be responsible for planning and for conducting
the activity.

   (b) Procedures to address forfeitures during post schedule tournaments shall be as follows:

   1. **Team Sports.** Participation by an ineligible player or team in any post schedule tournament game (sectional, intersectional, regional, semifinal or final) shall result in disqualification from the tournament immediately and their last opponent will advance in their place.    (c) If an individual or team exceeds the maximum number of contests permitted, the penalty is team ineligibility from the date of violation for the rest of the season.    (e) **Consistent with good ethical standards the prompt reporting of the knowledge of an infraction shall be made to the proper authorities in writing.**

   (f) School Districts may appeal to the Section to gain relief from the prescribed penalty if the violation of eligibility standards resulted from circumstances out of the District’s control.

   1. The school and Section will be notified immediately.
   2. Documentation of the incident will occur.

1. Require that individual or team records and performances achieved during participation by such ineligible student shall be vacated or stricken.
2. Require that team victories shall be forfeited to opponent.
3. Require that team or individual awards earned by such ineligible student be returned to the Association.

   b. No student or team may be permitted to participate in school organized practice or play on seven consecutive days during the regular season. Specifically, during the regular season, physical and/or instructional activities related to the sport on seven consecutive days is prohibited. Only one practice session a day and only six days of a calendar week may be counted toward the total practice sessions required. A practice session conducted on the same day as a game cannot be counted to meet the minimum practice requirement to be eligible for that day’s contest. All required practice sessions shall be organized and planned for a reasonable length of time and shall include vigorous activity specific to the sport for the purpose of improving the physical condition of the players. Each of the required number of practices for an individual must include vigorous activity; however, practice sessions required for the team beyond those needed by the individual may be used solely for meetings, film
review and similar activities. **NOTE:** Practice is considered an integral part of the interschool program in that sport. An individual must be eligible according to age and all other Eligibility Standards to participate in practices or competitions with the high school squad in that sport.

c. School sponsored activities conducted out of the sport season such as general conditioning, weight training, weight lifting, intramurals, recreation, open gyms, club activities and camps are permitted: 1. if such programs are not mandated by coaches or school personnel; 2. if such programs are available to all students.

d. Non school sponsored activities are permitted if such programs are not mandated by coaches or school personnel. **It is recommended that no school equipment be used for these programs as per State Comptroller Opinion 85-37.**

e. Upon returning from military training, student-athletes shall be eligible for participation in interscholastic athletics once they have completed the required number of practices. Eligibility for participation will also include meeting all eligibility requirements imposed by the Commissioner of Education and NYSPhSAA such as, but not limited to, health examination, age, grade, etc.

f. Schools that have made arrangements with another member school to share the use of a practice facility may do so without violating the Scrimmage Regulation as long as the athletes/teams do not scrimmage before the required number of practices has been completed.

23. **PROFESSIONAL TRYOUTS:** No tryouts for, or practice, with professional teams and their affiliates, are approved except during the summer vacation. A student who participates in such a tryout is ineligible to represent the school in that sport. (see Amateur Rule, p. 91) A school may apply on behalf of the student to their section for reinstatement one year from the date of the latest violation.

24. **RECRUITMENT AND UNDUE INFLUENCE:** Recruiting and Undue Influence is defined as the use of influence by any person connected directly or indirectly with a NYSPhSAA school to induce a student to transfer from one school to another, or to enter the ninth grade at a member school for athletic purposes - whether or not the school presently attended by the student is a member of the NYSPhSAA.

a. The use of undue influence to secure a student for competitive purposes in a sport is prohibited. An infraction shall cause the student to forfeit eligibility in that sport for one year from the date of enrollment. The offending school shall be subject to provisions of Bylaw 19 (D).

b. Evidence of undue influence includes, but is not limited to, personal contact by coaches and sponsors in an attempt to persuade transfer, gifts of money, jobs, supplies, clothing, free transportation, admission to contests, invitation to attend practices and/or games, or free and/or reduced tuition.

25. **REPRESENTATION:**

a. A contestant, or athletic team, shall not represent a school except in conformance with all rules and regulations. It shall be the duty of trustees and boards of education to require that athletic activities be limited to competition between secondary school students.

To be eligible for sectional, intersectional or state competition, a team must have competed in six (6) school scheduled contests during the season. To be eligible for sectional, intersectional or state competition, a team must have competed in six (6) school scheduled contests which occurred on six different dates during the season. An individual is eligible for the team if he/she has been an eligible participant on a team
in that sport in that school for a minimum of six (6) scheduled contests during the regular season. For football, a student must be an eligible participant for a minimum of three (3) contests. Contestants in individual sports (archery, badminton, bowling, cross country, fencing, golf, gymnastics, rifle, skiing, swimming, tennis, outdoor track, winter track and wrestling) must also have represented their school in six (6) scheduled contests during the season to be eligible. These required contests must occur on six different dates and must be concluded prior to the conclusion of the team's regular schedule. (Participation, p. 89)

Section Athletic Councils may request in writing approval of the State Executive Committee to adjust the number of school scheduled contests required on an annual basis. The request is to be submitted prior to the governing board meeting. School districts may submit a written request to the Section for adjustment of contests for individual participants. Note: For the sports of golf and girls gymnastics, a waiver of the Representation Standard may be granted by the NYSPHSAA Executive Director when a student has qualified for participation in the current school year’s NYSPHSAA championship event and has subsequently transferred to a NYSPHSAA member school. The athlete must meet all other eligibility standards, including transfer, to receive the waiver.

b. All games, meets, and tournaments must be conducted by appropriate secondary school authorities.

c. Participation by a student in more than one sport in the same time division shall be determined by the Section Athletic Council.

d. Games and practice between students and adults (alumni or faculty) are not approved.

e. To avoid unfair advantage a student who elects to participate in an interschool sport may not represent a school in that sport in a subsequent season in that school year.

26. SENIOR ALL-STAR CONTEST: A senior all-star contest shall be any athletic contest for which admission is charged or donations accepted in which one or more of the competing teams is composed of one or more players who during the school year was a member of the high school team in the same sport, and whose participation in the senior all-star contest is based on outstanding performance as a member of the high school team.

a. The only senior all-star contests approved by the NYSPHSAA, Inc. are those approved by a section. These contests must be approved first by the Section in which the contest is to be held, by the NYSPHSAA, Inc. Executive Director, and reported to the Executive Committee.

b. Only seniors who have completed their secondary school eligibility in that sport may compete in these contests.

c. A contestant may participate in no more than one approved senior all-star athlete contest in the same sport during the school year.

d. All approved senior all-star athlete contests must be conducted within the approved sport season.

e. All application criteria established for the Senior All-Star Contest must be followed. The criteria and contest application shall be obtained from the Section Secretary or Association office.

27. SPORTSMANSHIP: The Association recognizes and appreciates that the influence and responsibility of the school administration with regard to good sportsmanship extends to all levels of competition. However, it must also be seen that the NYSPHSAA
has been vested with the responsibility to ensure that all contests under its jurisdiction are conducted satisfactorily. This standard applies to all regular season and post schedule play.

a. Coach:

1. Any coach excluded by a certified official from an interschool competition for unsportsmanlike conduct, including taunting, is ineligible to coach any interschool competition in that sport until after the next previously scheduled contest at the same level (e.g. junior varsity, varsity, etc.) has been completed. In individual sports a multi-day contest is considered to be a contest. Disqualification from one season carries over to the next season of participation. The coach may not be present at the game site nor communicate in any manner during the contest with any person present at the site. **NOTE:** "Not being physically present at the site" means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands or site area before, during or after the game/meet. (see Taunting, p. 90, Next Previously Scheduled Contest, p. 89) Any coach that does not serve the penalty for violating the Sportsmanship Standard will be ineligible to participate in the next two regularly scheduled contests. If the coach continues to not serve the penalty, the matter will be referred to the Section for further action. If the coach is involved in the NYSPHSAA play-offs, the matter will be referred to the Executive Director of the NYSPHSAA.

   Any coach:
   1. Who receives a disqualification penalty in a sport shall not participate in the next regularly scheduled contest;
   2. Who receives a second disqualification penalty in the same sport in the same season shall not participate in the next two regularly scheduled contests; and
   3. Who receives a third disqualification penalty in the same sport in the same season will not be allowed to participate for the rest of the season. If the disqualification penalty takes place in the last contest of the season (regular season or post schedule play), the Section Athletic Council will assess the penalty carrying over into the next season of participation.

2. A coach who strikes, shoves, kicks or makes other physical contact with the intent to annoy, harass or intimidate another person (e.g. official, another coach, player, fan) shall be expelled immediately and banned from further participation or coaching in all sports for a period of time to be determined by the section not to exceed one year from the date of the offense.

b. Player:

1. Any member of a squad disqualified by a sport official for unsportsmanlike conduct, including taunting, or for a flagrant foul shall not participate in that sport in the next previously scheduled contest with a member school or in NYSPHSAA tournament play. In individual sports a multi-day contest is considered to be a contest. The contest in which the athlete was disqualified must count in the total maximum number of contests permitted. Disqualifications from one season carry over to the next season of participation. (see Taunting, p. 90, Next Previously Scheduled Contest, p. 89) Any player:
   1. Who receives a disqualification penalty in a sport shall not participate in the next regularly scheduled contest;
   2. Who receives a second disqualification penalty in the same sport in the same season shall not participate in the next two regularly scheduled contests; and
   3. Who receives a third disqualification penalty in the same sport in the same season will not be allowed to participate for the rest of the season. If the third
ejection takes place in the last contest of the season (regular season or post schedule play), the Section Athletic Council will assess the penalty carrying over into the next season of participation.

2. Any member of the squad who strikes, shoves, kicks or makes other physical contact with the intent to annoy, harass or intimidate an official shall be expelled from the game immediately and banned from further participation in all sports for a period of time to be determined by the section not to exceed one year from the date of the offense. **NOTE:** Member of the squad includes player, manager, score keepers, timers, and statisticians.

c. **Official:**

1. Unprofessional conduct on the part of the official such as, but not limited to, taunting, baiting, use of profanity, shall be reported by a school administrator from the aggrieved school to the section executive director. A request will be made to the appropriate sport officials chapter to investigate the incidence and to report their action to the section in a timely manner.

28. **SPORTS SEASONS:** Section Athletic Councils, with the approval of the NYSPHSAA, Inc. Executive Committee, shall determine all sports seasons within the limits of the Commissioner’s Regulations. **NOTE:** If a team competes in the same season in which a state championship (regional competition and beyond) is conducted as designated by the NYSPHSAA, Inc. Executive Committee, then the team and its players are ineligible to compete in any other season in that sport in that school year.

29. **STATE CHAMPIONSHIP CONTESTS:**

a. Contestants who have shown their proficiency in the sectional contests may be selected for a post-schedule contest. All participating teams and athletes must be approved by their Section to be eligible to compete in NYSPHSAA Regionals and State Championships. **NOTE:** Any student-athlete who has tested positive for the use of anabolic/androgenic steroids within the preceding six (6) months of a regional or state championship event may be required by the NYSPHSAA Executive Director to provide evidence of a negative test result for anabolic/androgenic steroids prior to participating in the event involved.

b. Plans for all state championship contests are to be submitted for approval to the NYSPHSAA, Inc. Executive Committee (Constitution, Article V, [5]).

c. Policies or procedures for state championship contests shall be determined by the NYSPHSAA, Inc. Executive Committee or Central Committee upon the recommendation of the State Championship Committee. Any awards or items presented to participants not provided by the Association, must receive prior approval. **NOTE:** No NYSPHSAA student athlete will be allowed to participate in any post schedule contests (regional, state, Federation) without a completed Code of Conduct document.

d. No raffles (50/50), and other games of chance, will be permitted at any post-sectional competition sponsored by the NYSPHSAA. Promotional activities may be permitted with the approval of the NYSPHSAA Executive Director.

e. If a physician is assigned and/or designated by the New York State Public High School Athletic Association or any of its subdivisions for post-schedule competition, that physician shall have the final decision-making authority concerning the entry/re-entry of an athlete to competition at the particular contest; however a participating school may use its own physician for final decision-making if it provides a statement by the chief school officer stating the school agrees to indemnify and hold harmless...
the NYSPHSAA or any of its subdivisions from any claims or lawsuits brought against
the NYSPHSAA or any of its subdivisions based on the decision made or advice given
by the school district provided physician.

f. Each section shall determine and be responsible for the selection, methods of
financing, travel, and supervision of its contestants in a state championship contest.

g. The State Sports Committee Coordinator shall submit complete plans and
budget to the State Championship Committee. Financial reports, results, and requests
for changes and improvements shall be submitted within 60 days after the event. The
State Sports Coordinators shall be responsible for:

1. Conducting these contests according to the policies adopted by the Executive
or Central Committees.

2. The selection of the Contest Director from the membership of the State
Sports Committee, who shall submit plans and reports to the Coordinator to be
forwarded to the Chairman of the State Championship Committee.

3. Reporting the results of each contest and submitting a financial report to
the NYSPHSAA, Inc. Executive Director, prior to the next meeting of the Executive
Committee.

h. Dual Seasons: Approved state championship contests are to be held before
the end of the season established for that sport. Only those sections conducting the
specific sport during the season of, or prior to, the state championship are eligible to
send representatives. A Section Athletic Council which votes to conduct a sport in a
season other than that specified for the state championship may conduct a qualifying
tournament for state championship competition during the selected season. Preparation
for state championship competition in a subsequent season shall be limited to those
individuals who qualified during the selected season of competition and the number
of organized practice sessions shall be no more than or less than the number required
before a first contest in that sport.

30. TRANSFER: (see Transfer, p. 90, 95) NOTE: The Transfer Rule will be enforced
as written with no variations permitted.

a. A student in grades 9-12 who transfers, with a corresponding change in residence
of his/her parents (or other persons with whom the student has resided for at least
six months) shall become eligible after starting regular attendance in the second
school. A residence change must involve a move from one school district to another.
Furthermore, when a student moves from one public school district to another public
school district, for athletic eligibility the student must enroll in the public school district
or in a private school within that district’s boundaries of his/her parents’ residency. The
Superintendent, or designee, will determine if the student has met district residency
requirements.

b. A student who transfers without a corresponding change in residence of his/her
parents (or other persons with whom the student has resided for at least six months) is
ineligible to participate in any interscholastic athletic contest in a particular sport for
a period of one (1) year if as a 9-12 student participated in that sport during the one
(1) year period immediately preceding his/her transfer. Students who transfer from
any school to the public school district of the residence of his/her parents (or other
persons with whom the student has resided for at least six months) or a private school
within that district’s boundaries shall receive a waiver from the Transfer Rule. Such a
transfer without penalty will only be permitted once in a high school career. Schools
must submit the required transfer form to the Section office. Athletes are not permitted
to practice before the form has been submitted. Athletes are not permitted to compete
without approval. NOTE: A student in a foreign exchange program listed by CSIET has a one year waiver of the Transfer Rule. If such a student elects to stay a second year he/she becomes a foreign student at the start of the school year with item (b) in effect.

Exemptions to (b): For athletic eligibility a student must enroll in the public school district or in a nonpublic school within that district’s boundaries of his/her parent’s residency.

Note: Multiple High School Districts - The policies/boundaries of the school district will be followed. If the district has an open enrollment policy, the interpretation to be used will be same as used for students of K-8 school districts. When a student enrolls in 9th grade, that is the district (building) of their residence. Any subsequent transfer would be subject to the Transfer Rule.

1. The student reaches the age of majority and establishes residency in a district and can substantiate that they are independent and self supporting.

2. If a private or parochial school ceases to operate a student may transfer to another private or parochial school of his/her choice. Otherwise, a student must enroll in the public school district of his/her parents’ residency.

3. A student who is a ward of the court or state and is placed in a district by court order. Guardianship does not fulfill this requirement.

4. A student from divorced or separated parents who moves into a new school district with one of the aforementioned parents. Such a transfer is allowed once every six months.

5. A student who is declared homeless by the superintendent pursuant to Commissioner’s Regulation 100.2.

6. A student of a military employee who is transferred to an active military base may enroll in the non-public school closest to their residence and maintain eligibility if the student enrolls in a non-public school immediately following the change in residence.

NOTE: It is provided, however, that each school shall have the opportunity to petition the section involved to approve transfer without penalty based on an undue hardship for the student.

c. Transfer students trying out for sports before school opens in the fall shall register and be accepted by the principal of that school before the medical examination and the first practice. This shall constitute the start of the regular attendance for falls sports. NOTE: After approval by the school medical officer a student may practice immediately and must satisfy the specific Sports Standard according to the number of practice sessions required.

d. Practices at the previous school may be counted toward the minimum number of practices required provided the principal or athletic director of the previous school submits, in writing, the number and dates of such practices to the principal or athletic director of the new school.
