Dear Resident:

As you know, we are in the midst of fiscally challenging times. As we enter the second year of tax levy cap legislation, we must continue to carefully analyze and prioritize expenditures and revenue sources in an effort to maximize financial efficiencies. As we navigate through the 2013-2014 budget development process, we encourage you to share your ideas and assist the administration and Board of Education in developing a responsible budget that considers the needs of our students and the taxpayer burden. Budget development sessions are listed below. These sessions are designed to enable residents to better understand and participate in the process. Please place the dates on your calendars and plan to join us at any or all of the upcoming meetings.

Sincerely,

Superintendent of Schools
