

Huntington High School
Class of '59
REUNION
www.huntingtonhigh59.com

Here are the details you've been asking for since May.
We have negotiated with multiple Huntington landmark venues, tested by prior classes' reunions in recent years, and we've built on their experiences and input to choose the three best possible locations for the Class of '59.

*In an effort to be both memorable for a once-in-our-lifetime event,
as well as cost-conscious, we have made the following plans:*

Friday, October 16

6:30 – 10:00: Icebreaker at the newly renovated Huntington Yacht Club - \$35 per person. Hors d'oeuvres will be served throughout the evening and there will be a cash bar.

Saturday, October 17

Afternoon: Homecoming football game at HHS, free, all are invited and the 1959 Suffolk County Championship Team will be honored at halftime. We are also all invited to visit the HHS History Room, a memorabilia room administered by Jack Abrams, a long-time administrator in the district, while we are there.

Evening:

6-11 p.m. "Senior Prom"/dinner dance - \$150 per person, at the Huntington Crescent Club with several former faculty in attendance, including Coach Al Donofrio and Senior Class Advisor, Don Loughlin.

Sunday, October 18

11:30 – 3:30 p.m. Brunch with cash bar - \$40 per person, at the Huntington Bay Club.
A beautiful setting on the bay for a serene and wonderful conclusion to our weekend.

*Please bookmark www.huntingtonhigh59.com for continuing updates on accommodations, reservations, attendees, etc. and send us any and all information you can provide with regard to missing classmates: see page 3

Your Reunion Committee has been meeting weekly, tracking down classmates, interviewing vendors, preparing mailings and a website and researching all the ingredients that will make a memorable weekend for everyone. We've had to make decisions that we felt would please the most people, offering enough choices to accommodate everyone. We hope you will attend all the functions offered, but realize you may want to pick and choose. Just remember, it's a once-in-our-lifetime celebration; come enjoy all of it that you can. Our bonus has been enjoying our weekly mini-reunions, phone conversations with long-lost friends and we've loved sharing emails and photos with so many of you. We were and are truly a great class and we look forward to seeing everyone turn out and to celebrating many more happy days together.
