Dear Huntington Booster Club Supporter,

The Huntington Booster Club encourages and supports extracurricular activities, particularly athletics, for the students of the Huntington School District. The goals of the Booster Club are to provide financial support for annual scholarships, purchase equipment, conduct summer sports programs, and fulfill individual team grants. Our biggest fundraiser is our Annual Golf Outing, which will be held this year on Monday, October 8, 2012. We are proud to announce that this year we are honoring an outstanding former Huntington School District athlete and teacher and long-time supporter of the Huntington School District and athletics, Pete Sansiviero.

The Booster Club has raised and donated over \$170,000 in the past 6 years to the Athletic Department. This past year we donated funds to purchase wrestling mats, portable soccer nets, agility equipment, and fitness/wellness equipment that will be used to assist the physical education department's new curriculum. Our fluid grant process approves grants for various teams at both Huntington High School and Finley Middle School, including softball, soccer, lacrosse, football, crew and track to name a few.

In 2009, the Booster Club also established the Devil's Den, a program designed to supply new and "gently used" equipment to children in need. This summer the Booster Club ran 9 sports camps with about 250 participants. The Booster Club also gives yearly awards to student athletes, who have demonstrated sportsmanship and exceptional work ethics throughout the year.

We are asking you to support the Huntington Booster Club by donating an item, gift certificate or service to be raffled off. We greatly appreciate your support and help. Thank you.

Sincerely,

The Huntington Booster Club

Honoree: Pete Sansiviero

Pete Sansiviero is known as "Mr. Huntington." He still enjoys attending football games and other events at his alma mater. A member of Huntington High School's Class of 1956, the colorful graduate went on to obtain a Bachelor of Science degree in physical education from Ithaca College in 1960. He earned a Master of Arts in 1968 from Columbia University in physical education and health.

A star football player for the Blue Devils, Sansiviero was a team captain in 1954 and earned All-Suffolk and All-Conference first team honors under head coach Al Donofrio. Huntington finished 6-2 that season with Sansiviero standing out as part of a "power packed" Blue Devil "forward wall," according to *The Huntingtonian* yearbook.

Following college, Sansiviero was hired by the district to teach physical education and assigned to Huntington's Robert K. Toaz Junior High School in September 1961. He was on leave from the district almost immediately, serving in the military during parts of 1961 and 1962. He returned to Toaz in September 1962 and stayed there through June 1965. He joined the founding faculty of J. Taylor Finley Junior High School for its opening in September 1965. He remained at Finley until his retirement in June 1995.

Sansiviero served as a junior varsity wrestling coach for several seasons, but he left his real mark in football, coaching the junior varsity team and serving as a varsity assistant for many years.

The longtime district resident sent a daughter and three sons through the Huntington School District and they all remain proud alumni and community members.

MONDAY, OCTOBER 8, 2012
