

Huntington Booster Club

Dear Parents/Friends:

Through the years, the *Huntington Interscholastic Athletics Program* has played an important role in the lives of students and community members. An integral part of the Department of Physical Education, organized athletics in the Huntington School District dates back more than one hundred years. Since the inception of sports teams here, our students have won every possible honor bestowed on high school athletes.

The Huntington Booster Club encourages and supports extracurricular activities, particularly athletics, for the students of the Huntington School District. The main goal of the Booster Club is to provide financial support to our athletic programs to enhance our students' athletic experiences. We also offer 9 Summer Sports Camps, award financial aid for camp participation where needed, award annual scholarships to seniors who embody the spirit of "Huntington," sell spirit wear, and sell refreshments at athletic events. Since our inception we have donated **over \$170,000**. Additionally, we created the "Devil's Den," a program designed to supply gently used and new equipment to athletes in need. To accomplish our goals we ask that all families, particularly those with student athletes at Finley Middle School and the High School, support the athletic programs in the district by annually becoming members of the Huntington Booster Club.

You may return the attached enrollment form with your annual membership fee of \$20 to the mailing address below. If you would like to get involved and become a volunteer, please check the volunteer line on the enrollment form or e-mail Tim Pillion at tpillion@optonline.net.
