Huntington Booster  
Club, Inc., a 501c  
Corporation  
Tax ID 30-0402170

Dear Parents,

Over the last six years many committed volunteers have worked to establish and run the Huntington Booster Club. The primary purpose of the Booster Club is to support the student athletes of Huntington High School and Finley Middle School. Towards this end, the Booster Club has strived to assist all of our school district's sports teams and groups, coaches and players as well as all student athletes. The Booster Club has successfully raised over \$250,000 which has been used for many purposes from funding grants requested by individual coaches to building new weight rooms at Huntington High School and Finley Middle School to helping to underwrite the new physical education curriculum at the high school. A list of grants that have been made over the past six years is enclosed in this packet.

In order to maintain and strengthen the Booster Club, your coaches are asking you to team up with us to help grow our membership. We feel that your help is crucial to the continuation and growth of the Huntington Booster Club. We have found that many of the parents of our athletes are not aware of what the Booster Club does and how they can help. In fact, many of the parents of our student athletes are not members of the Booster Club. Accordingly, we are requesting that each of you join the Booster Club by completing the application attached.

Finally, you will also find a clothing order form in the packet. Additionally, the Booster Club can work with our team, our team captain or our parent representative to fulfill our own team's specific spirit wear needs. The Booster Club will assist our team to find and order any items to meet our team's requirements. Indeed, the Booster Club is the only vendor that can be used by the coaches and teams of the High School and Finley Middle School to supply and sell spirit wear. All profits from such sales are used entirely to support our sports programs.

The Booster Club exists solely to support the student athletes of the Huntington School District. Please feel free to contact the Booster Club with your ideas on how you can assist the Booster Club and with your completed membership application form.

Best,

Coach

# Huntington Booster Club

Dear Parents/Friends:

Through the years, the *Huntington Interscholastic Athletics Program* has played an important role in the lives of students and community members. An integral part of the Department of Physical Education, organized athletics in the Huntington School District dates back more than one hundred years. Since the inception of sports teams here, our students have won every possible honor bestowed on high school athletes.

The Huntington Booster Club encourages and supports extracurricular activities, particularly athletics, for the students of the Huntington School District. The main goal of the Booster Club is to provide financial support to our athletic programs to enhance our students' athletic experiences. We also offer 9 Summer Sports Camps, award financial aid for camp participation where needed, award annual scholarships to seniors who embody the spirit of "Huntington," sell spirit wear, and sell refreshments at athletic events. Since our inception we have donated over \$170,000. Additionally, we created the "Devil's Den," a program designed to supply gently used and new equipment to athletes in need. To accomplish our goals we ask that all families, particularly those with student athletes at Finley Middle School and the High School, support the athletic programs in the district by annually becoming members of the Huntington Booster Club.

You may return the attached enrollment form with your annual membership fee of \$20 to the mailing address below. If you would like to get involved and become a volunteer, please check the volunteer line on the enrollment form or e-mail Tim Pillion at [tpillion@optonline.net](mailto:tpillion@optonline.net).

# BLUE DEVIL SUMMER CAMPS

## Camp Philosophy

The Huntington Booster Club is very excited and proud to offer a number of new camps and recently revitalized existing camps to our Huntington community. We now offer 24 high-quality competitive camps to meet the needs of our Huntington children. We strive to create a healthy, safe and competitive environment where our campers will work to improve individual and team skills, learn sportsmanship and self-confidence and appreciate the physical benefits of athletics. Taught by many of our best Huntington coaches, our camps strive to teach campers the importance of physical training through strategic, tactical and technical drills. It is our goal to enable each athlete to learn and improve his or her respective skill level. Finally, our camps encourage youngsters to enrich themselves through self-motivation and self-discipline and reinforce leadership and socialization as it is our belief that these values will help instill in our campers skills that they will need for life.

## Mission Statement

The Huntington Booster Club is a non-profit organization comprised of dedicated parents, coaches, school administrators, community members and alumni. It has been established to promote, encourage and support athletic participation and excellence for the students in the Huntington School District. The primary focus of the Booster Club is to financially enhance the district's physical education and athletic department budget in support of all sports. The goals of the Booster Club are to provide financial support to maintain and improve athletic facilities at our schools, to purchase equipment for our students and teams, to conduct summer sports camps, to distribute annual scholarships and to provide refreshments at athletic events and sports awards nights. We will do this through annual membership dues and other fundraising throughout the course of the year. To accomplish our goals, we ask that all families, particularly those with student athletes at Finley Middle School and the Huntington High School, coaches and school administration support the athletic programs in the district by becoming a member of the Huntington Booster Club and by participating in our fundraising events.
