

## OUR MISSION

**The Huntington Foundation** is dedicated to enhancing the quality of the Huntington Public Schools in education, the arts and athletics. From state-of-the-art technology and equipment to cutting-edge teaching techniques, the educator-generated grants we fund expand our students' curriculum as well as their enthusiasm for learning.

## WE ARE

**A volunteer group** of education supporters who work with a board of directors to fund innovative and exciting educational opportunities for all children in the district. This funding affords our teachers access to educational programs that are not funded by the school budget. Often these new programs are then incorporated into the curriculum on an ongoing basis.

### *Some of the Grants funded include:*

- Freshwater Pond at the STEM Magnet School  
(for study of abiotic & biotic factors of an ecosystem)
- Marching Band Instrument Trailer
- Filtered Hydration Water Filling Station
  - Smart Boards
- Renovation of the Weight Room
- Cell Culture Lab for the Science Research Program
- Funding of the Robotics Program
  - IMAC for the Photo Lab
  - Kitchen for the Life Skills (Special Education) Program

## HOW WE FUND

**Mini Grants** – up to \$1,000 to provide special project money for each classroom adventure

**STAR Grants** – \$1,000 + to provide innovative initiatives, offering cutting-edge educational opportunities district wide

**Field Trip Fund** – awards each building principal an annual fund so that no student misses a field trip due to financial need

**Greenkill Fund** – a need-based scholarship program awarded to 6th graders who wish to attend Greenkill, a 3 day environmental camp

## DONATIONS

We are a Volunteer Organization –  
Your Donations are Greatly Appreciated!
