

## Young Historian's After-School Program

**Does your child love history?**

**Would your child like to make a part of history come alive?**

The Huntington Historical Society is offering an **eight-session** after-school program for children ages 7 to 12.

Each session of this hands-on program will be focused on one colonial project such as weaving on a loom, candle dipping, authentic colonial cooking, wooden toy construction, and visiting the newly renovated Huntington Arsenal! Participants will be able to wear colonial costumes, play original colonial games, and handle various artifacts that typically are only viewed behind glass displays in museums. This program will teach your child to truly appreciate colonial life, and by the end of the sessions, your child will have a better understanding of Huntington history and their heritage. The best part, it's non-competitive and fun!

Carding wool

Historical building tours

Limberjack toy making

Butter churning

Weaving on looms

Colonial Cooking

Tour of the Arsenal

### Program Details

Dates:

One session per week for a total of 8 sessions
