To All Huntington High School and Finley Middle School Parents:

**RE: Cafeteria Computerized Payment System for School Meals**

Last year, the Nutrition and Food Service Department implemented computerized Point of Sale (POS) systems to increase the level of service and provide accurate school meal accounts. NUTRIKIDS® POS System has been in place since and has greatly improved the operation of our food service unit.

Over the summer, NUTRIKIDS migrated its payment and processing services to mySchoolBucks®. All of the services provided by NUTRIKIDS will remain, however please conduct any online transactions through their new website [www.myschoolbucks.com](http://www.myschoolbucks.com).

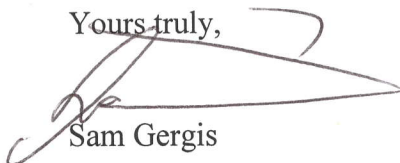

If your child has qualified for free or reduced meal prices, this information is noted in the system, and the meal will be processed just as it is for all other students without any special indication to the students. You will need to fill out a new free/reduced application for this school year. Please do so as soon as possible.

If you are concerned about a food allergy that your son/daughter has, please notify the cafeteria with this information. If indicated, a warning will appear on the cashier's screen for a review of the items on the student's tray.

If, for any reason, you would like a copy of the transactions of your child's account, we will be able to give you a print out.

If you have any questions, please feel free to call my office at 631-673-2111.

Yours truly,

Sam Gergis
