6:30 PM Opening Ceremony

The Opening Ceremony brings everyone together for a high-energy event kickoff to celebrate the lives of those who have battled cancer, to inspire hope by sharing recent accomplishments and progress, and to remind everyone that while we are winning this battle, fighting cancer is a year-round priority.

7:00 PM Survivor Lap

During the Survivors Lap, upbeat music plays as all cancer survivors at the event take the first lap around the track cheered on by the other participants who line the track, celebrating their victory over cancer.

9:30 PM Luminaria Ceremony

The Luminaria Ceremony is a time to remember people we have lost to cancer, to support people who currently have cancer, and to honor people who have fought cancer in the past. The power of this ceremony lies in providing an opportunity for people to work through grief and find hope.

12:00 AM Fight Back Ceremony

The Fight Back Ceremony symbolizes the emotional commitment we each make to the fight against cancer. The action we take represents what we are willing to do for ourselves, for our loved ones, and for our community to fight cancer year-round and to commit to saving lives.

6:00 AM Closing Ceremony

The Closing Ceremony is a time to remember the lives of those lost and to celebrate that each of us has committed, through our participation in a Relay event, to fight back against this disease over the next year.
