## Huntington High School

*A Tradition of Excellence Since 1657"*

August 3, 2015

Dear Parents and Guardians,

It has been an exceptionally busy and exciting number of weeks here at Huntington High School as we prepare for the arrival of our students in September for the 2015-16 school year. The building has been abuzz with activities and sports along with facilities upgrades and maintenance. Next year promises to be *sensational* as we open up with new course offerings, clubs, activities and innovative ideas. I am eager to welcome your children to a new school year and am so looking forward to serving them as their new Principal.

We are committed to providing our students with the best education available. To this end, we are continuously changing and growing as educators who are also life-long learners. I am confident that during the upcoming school year and beyond, we will exceed your expectations in providing a safe, nurturing and academically rigorous learning environment.

Attached, please find a listing of important upcoming dates, information regarding the Community Service Requirement, which applies to all grades, a number of procedural reminders and information on how students can sign up for my "text of the day," which will provide students with a brief morning message that I will send out each day. Also, please be aware that beginning this school year, progress reports and report cards will no longer be mailed home. These will be posted on the Parent Portal, so please be sure to sign up on the district website at [www.hufsd.edu](http://www.hufsd.edu). Please see the reverse side of this letter for a list of frequently asked questions and answers regarding the Parent Portal.

Classes will commence on Wednesday, **September 2<sup>nd</sup>, 2015**. Upon arrival, all students will report to the auditorium for a brief kick-off assembly.

Enjoy the rest of the summer and be sure to keep your kids *reading* over the next few weeks! I look forward to welcoming everyone back to school soon.

Yours Truly,

Brenden P. Cusack  
Principal

**Students in  
grades 9-12  
STAY  
CONNECTED!**
