

## Attention Seniors!

Several colleges will conduct an **On Site Admission Application Review** in the College Center in February. Students will meet with admission counselors in the College Center and have their applications personally evaluated. Students will receive immediate notification of acceptance or further review and scholarship eligibility (in most cases). If you are interested in participating in this program, you must sign up in the College Center as soon as possible. Space is limited and participation is on a first come, first served basis.
