Dear Parents,

From the Principal's Desk...

I can't believe the year has come to an end!

To our graduating third graders and their families, I wish you much success and joy in the years ahead. Remember that you each own special talents that make you unique. Oliver Wendell Holmes said "Every calling is great when greatly pursued." Whatever your dreams and aspirations, work hard and reach for the stars!!

To our returning children and their families, I wish you all a wonderful summer vacation filled with adventure, good books and family fun. Please make it a goal to read for at least 20 minutes every single day!! Just imagine how many wonderful stories you can enjoy in ten weeks of vacation!

Finally, I know you'll join me in sending a very special good-bye and good luck to Mrs. Susanne Kaczor who will begin her retirement on July 1st. Mrs. Kaczor has worked in the district as a special education teacher for 32 years and has provided many, many children with her special blend of warmth and support. We wish Mrs. Kaczor glorious adventures, the comfort of great books and the love of family and friends!

Sincerely,

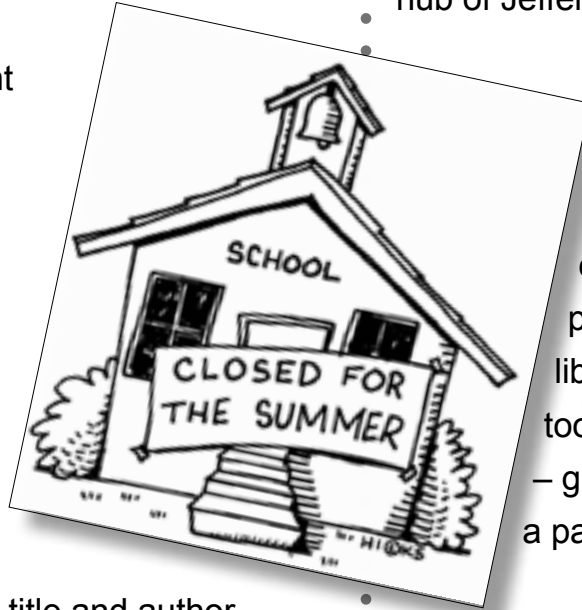

Margaret H. Evers

# From the Librarian!

Hello Readers!

Well, summer is right around the corner, and it is time for yet another "Jefferson Summer Reading Challenge". Check backpacks the last week of school for the forms.

Read at least ten book and record the title and author. Return all forms to Mrs. Tietjen in the library by Friday, September 24, 2010.

All students who participate will receive special recognition in September. Remember, the Huntington Public Library is having

a reading program also, so read a book and put the title on both forms!

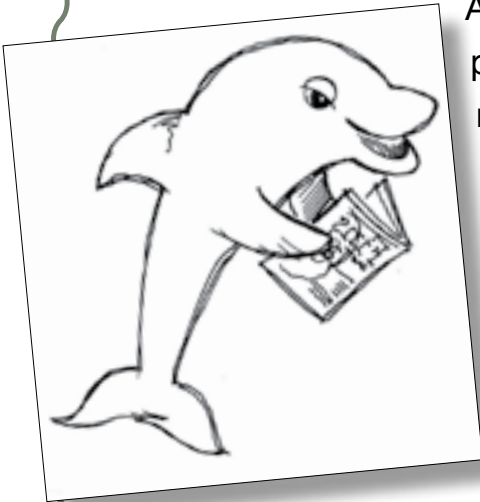

Be prepared for our fabulous library renovation to be complete when you return in September. Thanks to Mrs.

Evers, we have a professional circulation desk, new shelves, a SMARTBoard, and a colorful new rug. The library is truly the hub of Jefferson!

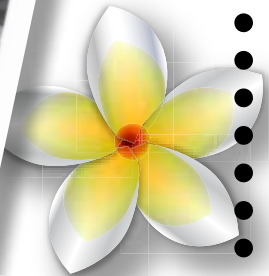

All third grade classes did a splendid job on their Library Achievement Exam(LAT) and earned the required 4,000+ points to advance to 4th grade library. Mrs. Wallace's class took the prize with 5,050 points – great job! Each child selected a paperback book as a prize.

I wish all of those students moving up to Woodhull a fond farewell. It has been a privilege watching you grow into such fine young ladies and gentlemen. This year I have had the opportunity to work with all of you in the new REACH program. Remember, stop by and visit – I will miss each and every one of you! Keep on reading!
