

# Southdown Supports Sandy Victims

Hurricane Sandy has left many families in our community without the basic necessities of heat, warm clothing and food. The local food pantry has been assisting many but their shelves are now bare.

I am asking our students and families to reach into their hearts and pantries to help those still in need.

We are collecting nonperishable items (canned, boxed or bottled) throughout this week and next. Collection boxes will be set up in the front lobby.

Thank you for your support and wishing you and your family a very Happy Thanksgiving!
