Flower Hill Community Day Saturday, November 3rd from 11-3 @ FH

Dear Parents, Students and Staff,

I’m sure you will agree with me that September just flew by. The staff and students have settled into our 2012-13 school year with their routines, schedules, academics and activities. Please keep abreast of Woodhull happenings by looking at e-Boards on the HUFSD.EDU website.

We have had a terrific turnout at our September events. The “Patrick Hannon Annual Softball Game” was held on Saturday, September 22nd. This event raised \$2500.00 dollars for tuition and camping gear for four boys to attend Boy Scout camps next summer in memory of our Patrick. I would like to thank Mr. Stein and Mrs. Dempsey PTA President for organizing the game. We had many staff members and parents promote, play, cheer, entertain, sell the donated food, drinks and tee-shirts were designed by Mr. Ciccone and the boy scout troop. This game was a great tribute to Patrick. Our Patrick Hannon garden has really blossomed in the front right hand side of our building by the cafeteria. The finishing touches and plaque will be completed this fall.

The Homecoming Parade was well attended on Saturday, September 28th. Woodhull staff, parents and students marched behind our new Woodhull banner cheering and displaying great school spirit.

Our PTA and SEPTA have begun their new membership drive. Please help us reach our goals with 100% parent/teacher and staff membership. They also have father and grandparent goals to reach. Please share the forms with any family or community member. All the funds go directly to enrich our children’s education here at Woodhull.

One of the most important evenings of the school year is our “Meet the Teacher” nights. Please try to attend and see your child’s classroom and meet their teachers. 5th grade will be on 10/9 at 7pm (ESL Parent should come at 6:30.) 6th grade “Meet the Teacher” night on 10/10 will begin 7:30pm and the orientation for Greenkill 4-day, 3 night environmental trip will be at 6:30pm

This year you will hear new educational terms such as: Common Core Learning Standards, Student Learning Objectives and Assessments and the Dignity Act. Please join me and Mr. Stein at our “Meet the Teacher” night presentation before going to your child’s classroom on those respective dates.

Please support your child’s education by getting him/her to school on time, not taking him/her early and always check their agenda book for homework assignments and flyers. Research tell us that parental support has a direct impact on a child’s success in school.

Shared Decision Making Team

Our SDM committee has met twice and our goals set for this year are:

Goal #1 Promote awareness of Common Core Learning Standards through faculty and grade level collaboration. (Relates to Board of Education Goals #1 and #2)

Goal #2 Promote "Green Initiatives" through the Woodhull school community. (Relates to the BOE Goal #4)

Goal #3 Utilize media outlets to better promote Woodhull contributions to our school and community. (Relates to the BOE goal #6)

Each goal is aligned to the Board of Education Goals.
