

**Huntington Union Free School District  
Huntington, NY**

**BOARD OF EDUCATION GOALS 2014-2015**

1. Continue to demonstrate measurable progress in overall student, building and subgroup academic performance, including graduation rates at the high school, with a focus on closing subgroup achievement gaps.
2. Facilitate provision of authentic and differentiated learning experiences in classrooms at all levels, while further integrating Common Core curricula in grades K-8, high school algebra, geometry and English language arts.
3. Continue to implement a fiscally responsible and transparent budget process given the economic constraints and conditions resulting from the tax levy limit and property tax freeze; maximize efficiencies while maintaining the integrity of programs and services offered at all HUFSD schools.
4. Further determine and evaluate strategies to promote effective use of all district facilities, including those that address potentially increasing enrollments and those resulting from the investigation of energy/cost-saving initiatives.
5. Engage in infrastructure upgrades and educational technology solutions that prepare students for a 21<sup>st</sup> century learning environment and enhance district communications.
6. Maximize home-school communication and further increase parent engagement throughout the school community.
7. Maintain communication with town, county and state government officials in an effort to ensure that district interests are considered and addressed as initiatives are planned and/or implemented at the respective governmental levels.
8. Improve the quality and nutritional benefits of the food served in our schools, while serving better tasting, health-supporting choices that appeal to all students.
