Our Mission

The Huntington Booster Club is a non-profit organization comprised of dedicated parents, coaches, school administrators, community members and alumni. It has been established to promote, encourage and support athletic participation and excellence for the students in the Huntington School District. The primary focus of the Booster Club is to financially enhance the district’s physical education and athletic department budget in support of all sports. The goals of the Booster Club are to provide financial support to maintain and improve athletic facilities at our schools, to purchase equipment for our students and teams, to conduct summer sports camps, to distribute annual scholarships and to provide refreshments at athletic events and sports awards nights. We do this through annual membership dues and other fundraising throughout the course of the year. To accomplish our goals, we ask that all families, particularly those with student athletes at Finley Middle School and the Huntington High School, coaches and school administration support the athletic programs in the district by becoming a member of the Huntington Booster Club and by participating in our fundraising events.

What We Have Accomplished

Over the past nine years the Huntington Booster Club has raised over $350,000. This money has been used to enhance Huntington's athletic programs and facilities. Our first major project was refurbishing the cardio and weight room in the high school. We have added dugouts, a basketball shooting machine, golf bags, a home run fence for the girl's softball team, and a track high jump pit. In addition, we replaced the bleachers at Finley Middle School and annually award “Sportsmanship Scholarships” to graduating seniors. Thanks to your support, we have supported every athletic team at Finley and Huntington High School, with over 100 individual grants.
