PLEASE CONSIDER BECOMING A CLASS PARENT AT WASHINGTON PRIMARY FOR THE 2013-2014 SCHOOL YEAR!!!

Washington Primary is looking for Class Parents for this coming school year. Class Parents work with your child’s teacher to support the classroom and work with the PTA to communicate with the class about school and district happenings. Some responsibilities include working with your child’s teacher on special events, generating a class list to those who wish to provide home information, providing classroom support when requested by the teacher, and attending PTA meetings to report back to other classroom parents.

If you are interested, please return the form below to your child’s teacher or PTA mailbox by **FRIDAY, SEPTEMBER 20, 2013**. Class Parents will be randomly selected by Mrs. Neville at our **first PTA meeting at 7:30PM on Tuesday, September 24, 2013 in the Washington Primary Cafeteria**. For those that can make it, Mrs. Neville will hold an orientation meeting for class parents on **Friday, September 27, 2013 at 3 pm in the Washington Primary Library**.

You may send a form in for more than one child. You may only be a class parent for **one** class even if you have more than one child in the school. If you are not randomly selected for one class you may be randomly selected for the other!

Please note that if you are selected as a Kindergarten, 1st or 2nd grade class parent you will be asked to help the PTA plan a fall “get to know you” grade level social for a Friday night in October.
