Applying for Aid

To receive full consideration for all financial aid programs, we urge you to apply by April 15 for the fall semester and by November 15 if you are entering in the spring semester. For all the major financial aid programs, including PELL, SEOG, TAP, APTS, loans, etc. Follow these steps to apply:

1. All aid applicants must be matriculated in a degree or certificate program. Only courses that are required for your degree program are eligible for financial aid.
2. You and your parent must obtain a FSA ID. The FSA ID serves as a legal signature and should not be shared with anyone. If you have filed a FAFSA application in the past and have a PIN, you can link your PIN to your FSA ID. This allows you to immediately use your FSA ID to access your personal information on any of the ED websites that require an FSA ID.
3. Complete the FAFSA:

If you are creating a FSA ID for the first time, or don't link your FSA ID to your PIN, your FSA ID is considered conditional until your information is verified with the Social Security Administration. You may use your conditional FSA ID to sign an original FAFSA, but nothing else. Once your information is verified with Social Security Administration you will be able to use your FSA ID to fully access your financial aid information. Access [FSA ID](#) now and get started applying.

Have legal dependents

Active military or a veteran

Parental information is unavailable due to death, incarceration or court order

Documentation may be required

Dependent Student

Younger than age 24

Whose information is needed?

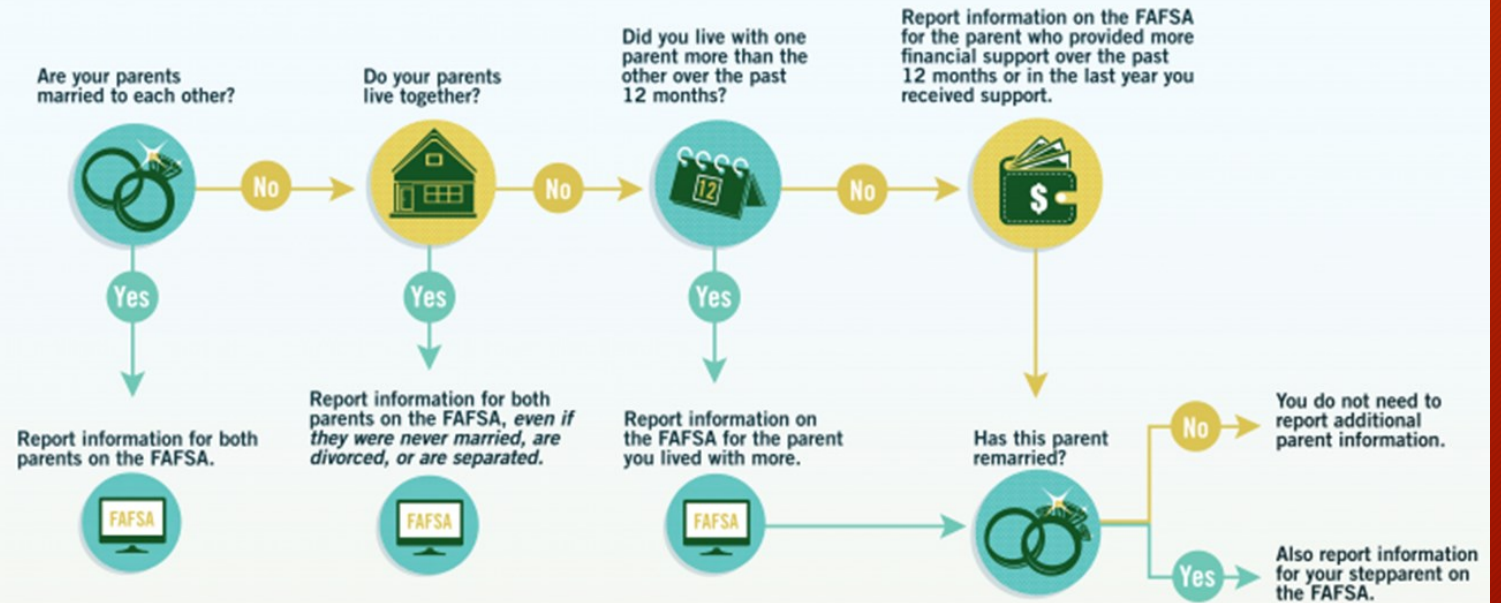

- If the student's biological parents are separated, parental financial information should be from the custodial parent (the parent who supported the student more than 50% in the last year).
- If the biological parents were never married but live together, information from both parties is needed.
- If the student's biological parents are divorced AND remarried, then the parent AND step-parent's financial information needs to be reported, even if the step-parent does not support the student.
- The Financial Aid Office may ask for proof of separate residences.

Who is my parent?

WHO'S MY PARENT WHEN I FILL OUT MY FAFSA®?

Dependent students are required to report parent information on the *Free Application for Federal Student Aid (FAFSA)*.¹ For reporting purposes, "PARENT" means your legal (biological or adoptive) parent or stepparent, or a person that the state has determined to be your legal parent.

Use this guide to figure out which parent's information to include (depending on your family situation).

The following people are not your parents unless they have legally adopted you:

Widowed Stepparent

Grandparents

Foster Parents

Legal Guardians

Older Brothers or Sisters

Aunts or Uncles

If you're not sure whom to report as a parent, you can visit StudentAid.ed.gov/fafsa/filling-out/parent-info or call 800-4-FED-AID (800-433-3243).

¹ If you're not sure whether you are a dependent student, go to StudentAid.ed.gov/fafsa/filling-out/dependency
