Recommendation Letter Request Procedures

- Recommendation requests must be made at least 15 school days prior to the college application deadline.
- Teachers receive an email request from your Naviance account and then will upload and submit your recommendation letter.
 - From the Colleges tab in Naviance, click “Colleges I’m Applying To”. All of the colleges to which you’ll apply must be listed. Then, click on the Letters of Recommendation link.
 - On the recommendation request page, students will click on the blue Add Request button to submit their requests, one teacher at a time.
 - Step 1: Select a teacher from the drop-down list.
 - Step 2:
 - Select General Request if you would like your recommendation letter sent to all colleges on your list.
 - Select Specific Request if you would like your recommendation letter sent to only specific colleges.
 - Step 3: Add a personal note to the teacher, highlighting any important aspects of your applications (such as first choice schools, early decision applications, intended major or degree of study), that you may want the teacher to consider when writing a letter of recommendation.
 - Click the Save button at the bottom of the screen which returns you to the recommendation status page.
 - From here, you will see the status for all Teacher Recommendations requests.

Thus, it is the student’s responsibility to provide teachers with a stamped, addressed envelope for each of these colleges.
- Students are responsible to follow up with their teachers regarding all recommendation letter requests and/or changes.
- If requested, the Student Brag Sheet can provide additional information for teachers.

Autobiography

College admission counselors rely on the school counselor to provide them with information that may not appear in other parts of the application. Answering questions below will not only help Mrs. Walsh in writing your recommendation letter, but will also help if you are required to write a supplemental personal statement for your college applications.

1. What are your academic interests? Which courses have you enjoyed the most and why?

2. Describe a challenge you have had to face and how did you handle that challenge? What was the outcome?

3. How have you grown over your high school years as a student and personally?

4. What do you consider your most admirable qualities and how have you exhibited these qualities?

5. What are you passionate about? What inspires or motivates you?

6. What are your future career goals?

The majority of colleges require the applicant to write an essay. ***What do you want the readers of your application to know about you apart from courses, grades, and test scores?*** The application may simply ask for a personal statement and leave the decision up to you as to how you wish to respond. Other colleges might ask you to write about suggested topics. The Common Application colleges ask students to respond to one of the prompts listed below.

- 1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
- 2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount an incident or time when you experienced failure. How did it affect you, and what did you learn from the experience?
- 3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
- 4. Reflect on something that someone has done for you that has made you happy or thankful in a surprising way. How has this gratitude affected or motivated you?
- 5. Discuss an accomplishment, event, or realization that sparked a period of growth and a new understanding of yourself or others.
- 6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
- 7. Share an essay on any topic of your choice. It can be one you've already written, or one that responds to a different prompt, or one of your own design.

In the space below, feel free to respond to one of the prompts listed. You can also list possible essay topics that you might want to discuss with Mrs. Walsh. Attach additional pages if you like. **This is not a required section of the "Appraising Myself as I Plan for the Future" packet.** However, it is suggested that you begin the college essay writing process during your junior year.

Activity Sheet/Résumé

Colleges are interested in learning about how you spend your time outside of the school day. Do you volunteer? Do you participate in a club, sport, or musical activity? Have you demonstrated consistent involvement? What kind of an impact have you made in your

Naviance

In addition to completing the "Appraising Myself as I Plan for the Future" packet, students must complete the **College Planning Survey** on your Naviance account. Mrs. Walsh will utilize the results of the survey during your college planning meeting

1. Log onto your Naviance account via CLEVER
2. Click on the "About Me" tab.
3. Click on Surveys from your School and then click on College Planning Survey.
4. Complete the survey, print it, and attach it to the back of this packet.

The screenshot shows the Naviance Student web interface. At the top, there's a navigation bar with "English", "Go", "Give feedback", "23 new messages", and "LOG OUT". Below this is a header with the Naviance logo and "Student" text, and a secondary navigation bar with "Home", "Colleges", "Careers", "About Me", and "My Planner".

On the left side, there's a sidebar with "Quick Links" and two sections: "INTERESTING THINGS ABOUT ME" (containing Resume, Documents, Journal, Survey history) and "OFFICIAL THINGS" (containing Profile, Inbox, Account, Test scores).

The main content area is titled "College Planning Survey". It includes a note: "Note: You will be logged out of the survey after one hour if you have not changed the page." Below this is an introductory paragraph: "By completing this survey, you will be helping Mrs. Walsh understand where you are in your post secondary planning process and college search. Feel free to contact Mrs. Walsh or your School Counselor with specific questions. At the end of the survey, be sure to click Save and Finish. Thank you!"

The first question is: "1. What are your plans after high school? If more than one response is appropriate, check all that apply." The options are: ☒ 4 year college or university, ☐ 2 year college or technical school, ☐ Military, ☐ Work, ☐ Gap year, and ☐ Undecided.

At the bottom right, there's a "Show My Time" icon.

Huntington High School Parent Response Form

6. If there are any particular colleges you would like your child to consider, please feel free to list them below.
7. Are there any family-related factors that will influence your child's decision?
8. Is there anything you wish to add which would help me in writing my recommendation letter?
e.g. educational background, family situation, medical history, personal achievements, etc.
9. Does your child have special needs that have warranted accommodations? (This is something you may want to discuss in person.)

FAFSA® Simplification Fact Sheet

Overview

FAFSA® Simplification Act

On Dec. 27, 2020, Congress passed the *Consolidated Appropriations Act*. The law includes provisions that amend the Fostering Undergraduate Talent by *Unlocking Resources for Education (FUTURE) Act* and includes the *FAFSA Simplification Act*—a sweeping redesign of the processes and systems used to award federal student aid. Specifically, the law makes it easier for students and families to complete and submit the *Free Application for Federal Student Aid (FAFSA®)* form and expands access to federal student aid.

Benefits to Students, Families, and Borrowers

Expanding access to federal aid

The Student Aid Index (SAI) will replace the Expected Family Contribution (EFC) on the FAFSA form. Students and families will see a different measure of their ability to pay for college and experience a change in the methodology used to determine aid.

In addition to the SAI, the *FAFSA Simplification Act* will expand the Federal Pell Grant to more students and link eligibility to family size and the federal poverty level. New eligibility formulas and funding are estimated to increase Pell Grant recipients by nearly 15%. Incarcerated students will regain the ability to receive a Pell Grant, and Pell Grant lifetime eligibility will be restored to students whose school closed while they were enrolled, or where subject to a false certification, identity theft, or a borrower defense loan discharge.

The law also repeals the lifetime limit on the period for which a borrower can receive subsidized loans of up to 150% of program length (often referred to as Subsidized Usage Limit Applies).

Streamlining the FAFSA® form

Where possible, the *FAFSA Simplification Act* mandates that the U.S. Department of Education office of Federal Student Aid (FSA) use federal tax information (FTI) received directly from the IRS to calculate Pell Grant eligibility and SAI. This data exchange was made possible by the *FUTURE Act*, which FSA will implement alongside FAFSA

simplification. The law also removes questions about Selective Service registration and drug convictions and adds questions about applicants' sex and race/ethnicity. Additionally, students who are homeless, orphans, former foster youth, or who have other unusual circumstances that prevent them from providing parental information on their FAFSA form, will benefit from simplified questions and processes that more efficiently determine their independent status.

By the 2024–25 award year, resources for completing the FAFSA form will be expanded to the 11 most common languages spoken in the United States. Additional language-specific support will be available from the Federal Student Aid Information Center.

New Requirements for Higher Education Institutions

New definitions of cost of attendance (COA)

The *FAFSA Simplification Act* makes COA the starting point for calculating the Student Aid Index (SAI). The formula is: $\text{COA} - \text{SAI} = \text{financial need}$. Schools will need to make more information about COA publicly available to students and their families, including loan fees and other costs that students may directly or indirectly pay to complete their program of study.

Professional judgment: Expanded rules for financial aid professionals

Financial aid professionals at institutions will have additional flexibility in adjusting a student's eligibility for federal student aid—known as professional judgment—due to special or unusual circumstances. This expansion will help certain students that have unique family situations, such as a loss of income or a change in housing status. The law also provides additional flexibility for financial aid professionals to assist students who cannot provide parental information on their FAFSA form (e.g., homeless youth, orphans, foster youth).

Schools will have the ability to address a student's special or unusual circumstances by adjusting their COA, the student's dependency status on their FAFSA form, the components that determine Pell Grants, or all the above. As is the case with COA, schools will need to make their policies and procedures for reviewing professional judgments publicly available.

Big FAFSA® changes are here

Different doesn't mean bad: we've got your back so you don't miss a beat.

Completing and submitting the Free Application for Federal Student Aid (FAFSA®) just got easier, but you will want to know about changes too so you're prepared!

What do you need?

If you're a dependent student, you'll need this information for you and your parents.

- ✓ You and your parents will need an FSA (Federal Student Aid) ID to access the FAFSA® and sign the form electronically. The FSA ID must be obtained at **studentaid.gov** before you start the FAFSA®, and we recommend applying 3-5 days before you plan on starting the FAFSA®.
- ✓ Your Social Security number
- ✓ Your parents' Social Security numbers
- ✓ **What do you no longer need?** Student and parent tax documents. All of this information will be automatically accessed from the IRS through the FUTURE Act Direct Data Exchange (FADDX).

Keep in mind that filing the FAFSA® is free—you should never be asked to pay to complete the form.

If your financial aid status has changed, you must complete the FAFSA® with the information required, and then follow up with your school's financial aid office for further advice.

To be eligible for federal financial aid, you must file the FAFSA® for each year you'll be in school.
