Huntington High School Indoor Sports Protocols

As we strive to continue welcoming home and visiting spectators to our indoor events and to minimize risk factors, the following strategies will be followed this winter for all home contests.

- Masks must be worn at all times (all players, coaches, officials and spectators). Masks will be available in the gym lobby and from any athletic supervisor.
- Disinfecting materials will be available on demand in and near the gym area.
- The visiting team will be met by athletic supervisory personnel and escorted to the gym and/or locker room.
- There will be separate bleacher sections for home and visiting fans.
- Fans from different households will be encouraged to sit socially distanced.
- Team chairs will be arranged to provide for social distancing.
- Referees/officials will be provided a private dressing room with restroom facilities or the option of using a full classroom.
- Gym access will be restricted in the event bleacher capacity is reached.
- Varsity athletic contests will be live streamed on the **Huntington Blue Devil Sports** YouTube channel.
- Approved video personnel from the visiting team will be welcomed.
