

Intramurals

Winter Boys' Lacrosse

Huntington High School students currently enrolled in grades 9-12 are invited to participate in an intramural lacrosse program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of lacrosse.

The program will run Wednesdays and Fridays from 2:45 – 3:20 p.m. at Huntington High School on either the grass or turf field beginning February 15 and running through March 8.

Attendance at all sessions is not required. Participate when it is convenient. Explore offensive, defensive and special skills as individual interest dictates.

In case of inclement weather that day's intramural session might be cancelled.
