## **Summer Football**

Huntington High School students entering grades 9-12 are invited to participate in an intramural football program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of football.

**The program will run Monday through Thursday  
from 5-7 p.m. at Blue Devil Stadium and the  
Huntington High School gym area beginning on  
Monday, June 16**

Attendance at all sessions is not required. Participate when it is convenient. Explore offensive, defensive and special team skills as individual interest dictates.

In case of inclement weather that day's intramural session might be held in the gym or cancelled.
