## Intramurals

### Summer Lacrosse

Huntington High School students currently enrolled in grades 9-12 are invited to participate in an intramural lacrosse program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of lacrosse.

**The program will run Mondays and Wednesdays from 4:30-6:00 p.m. on the Huntington High School Turf or Grass fields beginning on Wednesday, June 4th- July 9th.**

Attendance at all sessions is not required. Participate when it is convenient. Explore offensive, defensive and special team skills as individual interest dictates.

In case of inclement weather that day's intramural session might be canceled.
