Summer Girls' Lacrosse

Huntington High School girls currently enrolled in grades 9-12 are invited to participate in an intramural lacrosse program. These school sponsored sessions will include general conditioning and training along with an opportunity to learn more about the sport of lacrosse.

The program will run Wednesday's from 6 p.m. to 7 p.m. at Huntington High School on the new turf field beginning July 3rd and running through August 21st.

Attendance at all sessions is not required. Participate when it is convenient. Explore offensive, defensive and special skills as individual interest dictates.

In case of inclement weather that day's intramural session might be cancelled.
