**ARTICLE I**  
**RECOGNITION AND UNCHALLENGED REPRESENTATION STATUS**

- A. By virtue of a Resolution adopted by the Board of Education United Public Service Employees Union is recognized as the exclusive representative of the employees of the Registered Nurse staff, including all nurses, excluding all other employees.
- B. The Union shall be such sole agent of the above enumerated personnel for the maximum period permitted under Section 208.2 of the Public Employees Fair Employment Act.
- C. Dues Deduction.
  - 1. The Board agrees to the deduction of a uniform amount from the salaries of members of the Union for dues for the Union, as said members individually and voluntarily authorize the Board to deduct, and to transmit the monies to United Public Service Employees Union, 3555 Veterans Highway, Suite H, Ronkonkoma, NY 11779.
  - 2. Deductions referred to above shall be made in equal installments from the first twenty (20) paychecks for employees, starting with the first paycheck in September. The Union shall provide the Board with copies of the original signed dues authorization forms of those employees who have voluntarily authorized the Board to deduct dues for the Union and provide the Board with a certification in writing of the rate of its membership dues for the ensuing school year. The Union agrees not to change the deduction rate nor the total amount of dues deducted more than once during the course of the school year.
  - 3. The Union shall indemnify and save the Board harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the Board for the purpose of complying with any of the provisions of this Article.
- D. Agency Fee

The District shall notify all employees who are currently on the payroll within the titles covered by this Agreement, within the time covered by this Agreement that those employees who are not members of the Union shall have deducted from their salaries an Agency Fee.

Every employee appointed after the effective date of this Agreement who does not join the Union at the time of appointment shall have an agency fee deducted. If the employee joins the Union, such agency fee deduction shall be discontinued on the same date the

dues check-off authorization takes effect. The Union shall be obligated to immediately provide the District with the name of any employee in connection with whom such agency fee deduction should be discontinued.

An employee who terminates Union membership shall have deducted from his/her salary an agency fee. Such agency fee shall be effective on the same date as the revocation of authorization for dues deduction takes effect.

The agency fee for each employee covered by this Agreement shall be deducted from the employee's regular paycheck only and shall be in an amount equal to the periodic dues levied by the Union for employees in the affected titles as currently checked off by the School District, and except as referred to in this Article, shall be deducted in accordance with the same rules and procedures currently employed by the District in connection with the authorized dues deduction. The Union shall certify to the School District the appropriate amount of rate for the agency fee deduction.

Changes in the amount of any agency shop fee deduction shall be effective at the same times as is the practice with change in membership dues deductions. Request for changes in the rate of dues deduction shall be deemed to be a request for a change in the agency fee.

Upon receipt by the School District of notice of change in the amount of the agency fee deductions, employees having the agency fee deduction shall be notified in writing by the payroll office of the change in the amount to be deducted periodically and the date on which such new deduction will begin. A copy of this notice shall be sent to the Union.

The Union shall refund to the employees any agency fees wrongfully deducted and transmitted to the Union.

No assessments of any kind or nature will be collected through the agency fee deduction.

The District shall not be liable in the operation of the agency fee deduction for any mistake or error of judgment of any other act of omission or commission, and the Union agrees for itself, its successors and assigns to at all times indemnify the District and/or the Board of Education against any and all claims, suits, actions, costs, charges and expenses including court costs and reasonable attorneys fees, and against all liability and losses and damages of any nature whatsoever that the District and/or the Board of Education shall or may at any time sustain or be put to by reason of the inclusion of the above Agency Fee Article in the collective bargaining agreement between the Union and the District. In addition, upon request by the Board of Education the Union will provide an attorney to defend the Board in any claim against the Board arising out of the deduction and transmittal of agency fee as referred to above. Should the Board decide to retain its own counsel in such action, the Union will not be liable for the Board's attorney's fees.

The Union affirms that it will establish and will maintain a procedure which provides for the refund, to any employee demanding the same, or any part of an agency fee which represents the employee's pro rata share of expenditures by the Union in aid of activities or causes of a political or ideological nature only incidentally related to the terms and

conditions of employment. It is expressly agreed that in the event such procedure is disestablished by any of the above-referred-to organizations, then this Article insofar as it relates to agency fee deduction, shall be null and void.
