RE: Professional Development Activity Dates for Spring 2021

Below, please find the professional development calendar for Spring 2021. The calendar has dates for activities that **MUST** be attended by the grade level and/or department Faculty specified. We are providing you with these dates as required so that you may plan your personal calendar accordingly. Please note that if HUFSD runs on a full distance learning schedule, the dates for these professional development sessions will remain the same, but the times will be adjusted in accordance with the HUFSD Distance Learning Schedule.

ATH members must complete up to 13-hours for tenured faculty, and 21-hours for non-tenured faculty of professional development activities. Since your attendance is required for the activities listed below, it is suggested that you speak with your supervisor to develop and determine your professional learning plan for the 2020/21 school year. You will be able to register for these required activities through MyLearningPlan.com. Each of the activities below will run for approximately 2-hours each, unless otherwise noted.
