SMART Goal:

The Flower Hill community will continue to cultivate a positive, inclusive, and emotionally supportive environment where students develop strong social-emotional skills, a sense of belonging, and pride in their school.

Action Plan:

- ✚ Sustain and strengthen the PBIS framework by emphasizing monthly behavioral expectations and sharing family-friendly reinforcement strategies through newsletters and "PBIS at Home" event.
- ✚ Continue implementing "Fox Tales" and "Fox Chronicles" to highlight student voice, promote growth mindset, and celebrate achievements.
- ✚ Expand themed student-led morning announcements with student-created videos, mindful prompts, and weekly recognition shoutouts.
- ✚ Revitalize the Attendance Committee by introducing "Attendance Counts" recognition for both perfect and improved attendance. Incorporate the "Full House" for classes who have 100% of students in attendance.

Assessment:

Progress will be measured using a combination of quantitative and qualitative data, including attendance reports, PBIS point data, and participation logs. Staff surveys will be administered to assess school climate, engagement, and SEL growth.
