

HUNTINGTON UNION FREE SCHOOL DISTRICT HUNTINGTON, NEW YORK 11743

SHARED DECISION-MAKING COMMITTEE

2025-2026 School Based Team Goals

SMART Goal # 1:

Increase parent engagement through expanded communication pathways and offer opportunities for students and families to share cultural backgrounds and make connections.

Action Plan

- Expand Cultural Expo & Gallery Walk to include a family fashion show of traditional clothing. We will also seek to engage more families by hosting a daytime event where families can share their own culture in small class presentations. In class students will explore different countries/cultures from around the world. Each class will make a representation of their learning. Students will engage in a grade level gallery walk followed by a parent event.
- Welcome class parents to assist in celebrations of holidays and to support instructional opportunities
- Continue to provide targeted parent engagement evenings, PBIS activities and Community Circles (i.e. RTI Game Night)
- Expand student communication of upcoming events – Students are great communicators with their families. Our goal is to make sure students are informed of all upcoming events. We will do this by:
 - Use of lobby and lunch room TV advertisements
 - Update Student Council Bulletin board with upcoming events
 - Student Council President and Vice President will create a video of upcoming events that will be shared with each teacher
 - Teachers will promote awareness of upcoming events by playing the student council video
 - Newspaper club will create a one-page "Here is what is happening..." notice to be shared with students
 - Ensure that student council representatives are given 5 – 10 minutes following each student council meeting to share what they are working on
 - Increase signage at arrival and dismissal to spread the word about upcoming events.

Assessment:

- Gather feedback from family events
- Monitor attendance at parent events

SHARED DECISION-MAKING COMMITTEE

2025-2026 School Based Team Goals

SMART Goal #2:

Increase opportunities for students to feel represented and connected to teachers and the larger school community. Increase student exposure to leadership and exposure to community service opportunities.

Action Plan

- Expand the role and responsibilities of House Ambassadors to offer suggestions to create new experiences for our 6th grade students at their Monthly House Parties
- Expand our new leadership opportunities including Language Leaders and the 5th grade Helper Program
- Build monthly discussion and learning opportunities for Agents of Positive Change (APC)
- Conduct a Leadership Summit bringing all school leaders together to discuss the importance of leaders, what makes a good leader and how leaders impact the community.
- Celebrate our Language Learners in a school assembly with parent participation.
- Expand students exposure to selecting charities House Meetings will begin this year with House Ambassadors leading their "House" in identifying a House Charity they will support throughout the year.
- Continue to expand connections between PTA and our Student Council. Students will participate in PTA meetings to share their ideas and gain support for their community service events
- Expand our a Spring "Community Market Day" event to include community sponsors. This event will allow families and students to work together to raise money for House Charities.

Assessment:

- Gather feedback from student council and House Ambassadors
- Monitor attendance at events

SHARED DECISION-MAKING COMMITTEE

2025-2026 School Based Team Goals

SMART Goal # 3:

Increase student focus on wellness by expanding access to student support services and offering opportunities for students to engage in healthy lifestyle choices.

Action Plan:

- Expand school Mentoring Program
- Introduce Community Circles to every class in grades 4 – 6. The monthly circles will reinforce character based education goals
- Continue to offer 15-minute mental health intervention programs that will be delivered to all students in all grade levels
- Participate in World Health Day and Unity Day
- Support a Community "Color Run"
- Support awareness of healthy lifestyle choices through Lobby and Lunch Room TV advertisements created by students in Health Class
- Through our Health curriculum students will explore healthy lifestyle choices and create posters demonstrating their learning.

Assessment:

- Gather feedback from student council and House Ambassadors
- Monitor attendance at events
