MONDAY

FINANCIAL WORKSHOP

Room 125

Vincent Sama

7:00-8:00

4 Sessions FEE: \$40 Resident - \$50 Non Resident

October 16th – Foundations of Investing

October 23rd – Stocks: The Nuts & Bolts

October 30th – Focus on Fixed Income

November 6th – Retirement By Design

Foundations of Investing

Building your investor IQ starts with understanding the basics. Learn the importance of developing a strategy, the impact of asset allocation and the influence of inflation on your long-term goals.

Stocks: The Nuts and Bolts

Learn the differences between common and preferred stock, the importance of dividends, ways to craft your stock strategy and different ways to own stock. This program is specifically tailored for individuals like you who are serious about their financial goals – whether you're just getting started or seeking perspective as a well-seasoned investor.

Focus on Fixed Income

Owning investments that may provide you with regular income can be a smart decision. That's why it's a good idea to learn how such fixed-income investments as bonds may help you to reach your financial goals.

Retirement by Design

How do you want to retire? Whether you are 10 or 40 years from retirement, you'll learn investment strategies you can use now to help design the retirement you want tomorrow.

"The prospectus contains more complete information, including the fund's investment objectives, risks, and charges and expenses as well as other important information that should be considered. Your financial advisor can provide a prospectus, which should be read carefully before investing".

CROCHET

HS Library

Kelly Hatzmann

7:00-9:00

For crocheters of any level looking to learn the basics, review or improve techniques. Crocheters are encouraged to bring in projects (and any materials needed) that they are interested in or working on currently.

14 Maximum

SPANISH – BEGINNER

Room 126

Olivia Roberts

7:00-9:00

Some of us are fortunate to be able to learn a new language by living in another country, but most of us are not. In this class you will begin learning the language and get acquainted with a foreign culture. At the beginning we will give emphasis to pronunciation and with the help of cognates and learned vocabulary, we will be able to communicate with each other.

DRAWING and SKETCHING

Room 108

Dan Van Benthuyzen

6:30-8:30

A course that examines the basic principles of drawing and sketching, using pencil and charcoal. Students will be encouraged to start keeping a sketchbook and to explore a wide variety of drawing exercises designed to improve observational and rendering skills. We will examine various forms of perspective: one-point perspective as well as two- and three-point perspectives, and aerial perspective (which for artists does NOT involve looking down from above). We'll examine the importance of controlling tonality in drawing. Landscapes, interiors, still life, and a basic examination of drawing the human figure, will all be explored. Some exercises from Betty Edwards's book, "Drawing on the Right Side of the Brain" will be used as well as some examples from other artists' teaching books like Joseph Sheppard's, "Drawing the Living Figure".

BEGINNING ITALIAN

Room 127

TBD

6:00-8:00

Benvenuti! Come learn the basics of the Italian language in this introductory class. Learn how to read, write, listen and speak the following: greetings and introductions, locations, menu orders and restaurant vocabulary, regions/sights in Italy, and basic grammatical structure of the present tense. Remember we are not studying for an exam, but as if you were traveling to Italy.

Powerpoint users will learn to create, edit and animate information for effective presentations.

TAI CHI CHI KUNG **Richard Wos**
Library **7:00-8:30**

No Senior Citizen Discount.

Tai Chi is an ancient Chinese self-healing exercise. The therapeutic value of Tai Chi has been acknowledged in China for thousands of years and Tai Chi is the most popular health exercise in China today. The movements enable the body to relax and let gravity melt away tension blocks. It is one of the safest exercise methods known. The way we live determines the amount of tension and nervousness we accumulate in our bodies. Most of us live in an unhealthy environment in which there is too little exercise, poor eating habits, and conditions that create emotional tension. The primary purpose of Tai Chi is to help let go of physical and emotional tension.

SOCIAL SECURITY PLANNING – What Everyone Needs To Know (especially boomers)

Room 110

FEE: \$10 per person - \$15 per couple

After being told for years that Social Security is “going broke,” baby boomers are realizing that it will soon be their turn to collect. But the decisions you make now can have a tremendous impact on the total amount of benefits you stand to receive over your lifetime. This informative workshop not only covers the basics but also reveals little known strategies for maximizing your benefits. You will learn: the 5 factors to consider in deciding when to apply for benefits, when it makes sense to delay benefits, how to integrate benefits with other retirement income sources, and how to coordinate benefits with your spouse to maximize the total drawdown from Social Security. Each attendee will receive a free copy of “The Baby Boomer’s Guide To Social Security” which summarizes key retirement benefit provisions.

Seminar Date 10/25

**Evan Levy, CFP
7:00-8:30**

SAVVY TAX PLANNING IN RETIREMENT

Room 110

FEE: \$10 per person - \$15 per couple

Strategies to Help You Pay the Least Amount of Taxes

This workshop will cover 4 clear-cut strategies to lower your tax bill:

- How Roth conversions can reduce your taxes and one BIG mistake to avoid!
- How improving the “location allocation” in your investment portfolio can save you thousands in unnecessary taxes!
- How to minimize taxes on your “RMDs” (required minimum distributions) from your IRA’s.
- How to lower taxes on Social Security and best time to file for benefits.

In addition, every attendee will receive a free Tax Savings Analysis to help identify opportunities to reduce your taxes! If you are retired or thinking about retirement and are interested in paying the least amount of taxes, this workshop is for you!

Seminar Date 11/2

**Evan Levy, CFP
