Dear 2023 SPRING Driver Education Students and Parent/Guardians,

Recent guidelines from the NYSDMV regarding Driver Education Programs have been changed due to COVID. We are now able to provide program classroom instruction remotely through the Google Classroom platform. In addition, the in-vehicle instruction can now be under the supervision of a parent/guardian. Please see below all information that you and your child will need to know in order to obtain the MV-285 certificate.

The Huntington Union Free School District Driver Education Program is currently open to any student who has reached the **age of 16 by February 24 and holds a valid learner's permit by the registration dates below**. By NYS regulations, 36 students can be registered per course.
