

# Attention Seniors!

Several colleges will conduct an **On Site Admission Application Review** in the College Office in February. Students will meet with admission counselors in the College Office and have their applications personally evaluated. **Application fees (most) are waived for students who participate in this program!** Students will receive immediate notification of acceptance or further review, and **scholarship** eligibility (in most cases). If you are interested in participating in this program, you must sign up in the College Office as soon as possible. We will give you an application as well as review the requirements (essay, activity sheet, recommendations, etc.) with you. See below for a list of participating colleges.
