The Booster Club is celebrating it's 5 year anniversary. Over the past 5 years we have raised over \$150,000. This money has been poured into the athletic programs and facilities. Our first major project was refurbishing the weight room and cardio room. We have added dug outs, foul ball pole and home run fence for the girl's softball team. We replaced the grass field scoreboard. We replaced the weight room equipment and football bleachers at Finley. We have given grants to many of our athletic teams at Finley and the High School, thanks to you.

The Huntington Booster Club, Inc, a non-profit agency, promotes and encourages extracurricular activities, particularly athletics, for the students of Huntington High School and Finley. The goals of the Booster Club are to provide financial support for annual scholarships, purchase equipment, summer sports programs and fulfilling individual grants. The Booster Club has raised over \$150,000 in the past five years. This past year we donated a high jump pit and hurdles. We also replaced the cushion chairs for athletes competing in the gym. We have given sports grants to various teams both at the High School and Finley including, softball, soccer, lacrosse, football, crew and track to name a few. In 2009 the Booster Club established the Devil's Den, a program designed to supply new and "gently used" equipment for children in need. This summer the Booster Club ran nine camps with an enrollment of 300 children. The Booster Club also gives yearly awards to student athletes, who have demonstrated sportsmanship and exceptional work ethics throughout the year.
