# PETE SANSIVIERO

Pete Sansiviero is known as “Mr. Huntington.” He still enjoys attending football games and other events at his alma mater. A member of Huntington High School’s Class of 1956, the colorful graduate went on to obtain a Bachelor of Science degree in physical education from Ithaca College in 1960. He earned a Master of Arts in 1968 from Columbia University in physical education and health.

A star football player for the Blue Devils, Sansiviero was a team captain in 1954 and earned All-Suffolk and All-Conference first team honors under head coach Al Donofrio. Huntington finished 6-2 that season with Sansiviero standing out as part of a “power packed” Blue Devil “forward wall,” according to *The Huntingtonian* yearbook.

Following college, Sansiviero was hired by the district to teach physical education and assigned to Huntington’s Robert K. Toaz Junior High School in September 1961. He was on leave from the district almost immediately, serving in the military during parts of 1961 and 1962. He returned to Toaz in September 1962 and stayed there through June 1965. He joined the founding faculty of J. Taylor Finley Junior High School for its opening in September 1965. He remained at Finley until his retirement in June 1995.

Sansiviero served as a junior varsity wrestling coach for several seasons, but he left his real mark in football, coaching the junior varsity team and serving as a varsity assistant for many years.

The longtime district resident sent a daughter and three sons through the Huntington School District and they all remain proud alumni and community members.

## GOLF AWARDS & PRIZES

Longest Drive      Nearest to the Hole  
Hole in One      50/50 Raffle      Raffle Baskets

***Over the past 6 years Huntington Booster Club has raised nearly \$200,000. This money has been poured into the athletic programs and facilities. Our first major project was refurbishing the weight room and cardio room. We have added dug outs, a foul ball pole and a home run fence for the girl’s softball team. We installed a track high jump pit. We replaced the weight room equipment and football bleachers at Finley. We have given grants to many of our athletic teams at Finley and the High School, thanks to you.***
