

Mission Statement

Through the years, the Huntington interscholastic athletics program has played an important role in the lives of students and community members. An integral part of the department of physical education, organized athletics in the Huntington Public School District dates back more than one hundred years. Since the inception of sports teams here, our students have won every possible honor bestowed on high school athletes.

The Huntington Booster Club has been established to promote and encourage extracurricular activities, particularly athletic sports, for the students of the Huntington School District. The goal of the Booster Club is to provide financial support for annual awards, purchase of equipment, summer sports programs, and refreshments at athletic events and sports awards nights. The primary focus of the Booster Club is to financially enhance the district's physical education and athletic department budget in support of all sports. This is accomplished through annual membership dues and other fundraising throughout the course of the year. To fulfill our goals we ask that all families, particularly those with student-athletes at Pinley Middle School and the High School, support the athletic programs in the district by becoming a member of the Huntington Booster Club.

HUNTINGTON BOOSTER CLUB SUMMER CAMPS

Camp Philosophy

Welcome to another exciting summer camp season. The Huntington Booster Club, Inc is proud to offer more camps this season. As the summer approaches, we are committed to raising the bar and continuing to strengthen our athletic programs in Huntington. Our focus will be squarely on both tactical as well as technical training and will serve as an excellent opportunity for both new and current players to get an important head start to the season. Each camper will receive guided instruction from certified Huntington High School Coaches. The goal of the camps is to improve individual skill level, develop a fundamental understanding of the sport they are focusing on and to have fun.

Basketball – Boys Grades 3-8, Huntington High School July 11-July 14, 9:00am – 12:00pm
