Dear Teachers, Staff and Administrators,

Attached, please find the Mini and STAR grant applications for the 2011 – 2012 school year. In order to be both fiscally responsible and environmentally conscious, HFEE will not be distributing hard copies of the applications and will make additional forms available for downloading via the HUFSD website.

Kindly read the terms and conditions carefully before submitting applications and please note the deadline dates. HFEE does not participate in the funding of transportation costs for field trips and due to budgetary constraints, HFEE will not participate in the funding of smart boards. Not all grants need to be specific to technology, many of our smaller grants have had a profound impact. Be Creative! A few good questions to ask yourself may be ***"How can we enhance the educational process" and "What can we do better to help our students learn"?***

We look forward to receiving your grant applications. If you have any questions, please feel free to contact me.

Thank you.
