The purpose of the Star Grant is to fund grade-wide, department-wide and school-wide initiatives that have a broad impact on the students. Star grants exceed $1,000 and have been as high as $12,925. Examples of past year’s grants that provide innovative additions to the curriculum are:

- Funding of a Small Cell Culture Lab at Huntington HS where students can perform experiments
- “Speak Up” group presentation/public speaking workshops for all 6th graders
- Eco-system pond at STEM
- School shared projector, laptop and flip camera via the library/computer center at Washington Primary to enhance research projects, reader theaters, and musical productions

Star Grant applications invite teachers and administrators to apply for funds for initiatives that impact a grade, department or school. An applicant who wishes to obtain funding for a project should complete this grant application describing the idea and benefits and after gaining approval from the school principal send it the address above.

**The deadline for the Star Grant is November 16, 2015**

Please remember that the goal of HFEE is to fund new and innovative ideas.
