

Huntington UFSD District-Wide Blood Drive Tuesday, February 7, 2012

**Community and District Staff
are eligible and encouraged to participate**

During our District-wide Blood Drive, you can donate a pint of blood for those in need in our community. Many don't realize one pint of blood can assist up to six individuals in need. Please mark your calendars with a large red **HBD** (Huntington Blood Drive) on **Tuesday, February 7, 2012** and plan, if you are able, to participate in this most important District and community effort.

In the past, some people have thought they may not be eligible to give blood when in fact, they could have donated. If you have any questions regarding medical eligibility for blood donations, please call Long Island Blood Services at 516-478-5012 or you can also obtain additional information from the Long Island Blood Services via their website at www.nybloodcenter.org.

For additional information on participating in the Blood Drive see the Donor Pledge Form below. If you are a staff member, please complete and return this form to the school nurse in your building by Friday, January 13, 2012. If you are a Community member, please fill out this form and bring with you on the day of the Blood Drive.

We look forward to seeing you at the District-wide Blood Drive on **Tuesday, February 7, 2012** at Jack Abrams School.

Many thanks for your support in this vital community and District endeavor.
