

“Business Brick Program”

Dear Business Owner:

The Huntington High School student government, Parent Teacher Association (PTA) and Shared Decision Making Committee are working to raise money to build a recreation area for the high school while at the same time redoing the main entrance. Our goal is to reach \$40,000.

The “Business Brick Program” is a wonderful way for your business to help us reach our goal, promote your business, and honor the students. The program affords you the chance to purchase and personalize a brick that will be permanently laid within the main entrance walkway of our school. Your business name will be prominently displayed for years to come and you will have the knowledge that your contribution has helped beautify our school and provide our students with a “commons area”.

IF you are interested in this unique fundraising opportunity, refer to the attached sheet for brick sizes and pricing. Place a check mark in the blank space next to the brick size you are purchasing. Then fill in the blank spaces provided with the personalized information you would like engraved on your brick. Please follow the character guidelines provided next to each size brick and REMEMBER spaces between names and words count as one character.

Please note: The committee reserves the right to edit, revise or reject inappropriate or offensive submissions.

Please make all checks or money orders payable to: **HHS Student Government.**

Orders may be dropped off at the high school or mailed, but must be received by April 15th, 2009. Our mailing address is Huntington High School, Oakwood & McKay Roads, Huntington, N.Y., 11743. If you have any questions, please contact Elaine May, PTA Vice President at (631) 423-9433 or Dr. Leonardi, High School Principal at (631) 673-2001.

Thank you for your support!!!

Sincerely Yours,

“A Pathway to Excellence” Committee
