On Thursday, November 12, the fifth grade visited The Cradle of Aviation. It is an aerospace museum located in Uniondale. It commemorates Long Island’s part in the history of aviation. It is located on land once part of Mitchel Air Force Base which, together with nearby Roosevelt Field and other airfields on the Hempstead Plains, was the site of many historic flights. The fifth graders learned so much and truly had a great day. It was definitely an informative trip enjoyed by all.

The PTA hosted a Scholastic Book Fair for the Jack Abrams STEM Magnet students on Thursday 11/12 and Friday 11/13. Each class came down to the gym and had time to look at all the books offered and make their purchases. The Book Fair was also open Friday evening for parents who wanted to make purchases but were unable to come in during the day. There was a drawing, and one student from each grade level was chosen to receive a free book. The winners:

3rd grade – Joe Boeckmann
4th grade – Chase Williams
5th Grade – Nancy Thornton
6th grade – Kathryn Sanseviro
5/6 Bridge – Alejandra Marcia Soler

October 2015 Outstanding Ospreys

Class Winner: Mrs. Telesco’s Class
Ms. Baldanza – Anshi Paul
Ms. McManus – Ryan Scanlon
Ms. Audia – Ella O’Heir
Mr. Dierking/Ms. Vaughans – Jack Ruthkowski
Ms. McVetty – Nicholas Morris
Ms. Curtin/Ms. Roseto – Dvana Augustin
Ms. Danzig – Ian Husselbeck
Ms. Telesco – Nancy Thornton
Mr. Esposito – Sydney Cordeiro
Ms. Marotta – Richard Zboray
Ms. Pancir – Kathryn Sansivero

Students at the STEM school collected canned goods, juices, bread and muffin mixes, cereals, rice, pasta, stuffing and other food items which were donated to the Helping Hands Mission. A million thanks to everyone for their generosity.

A very Happy Thanksgiving to one and all!
