

WORLD MATHS DAY

1 March 2011

Uniting the World in Numbers

Join us in a celebration of numbers as students from across the globe unite in their quest to set a world record in answering mental arithmetic questions. Be part of this great education event involving more than two million students.

- Play students from 235 of countries
- Represent your country as it takes on the World!
- Win Great Prizes!

All you need to do is register from 1 February and sign in to www.worldmathsday.com on Tuesday 1 March.
